

CANADA J C I SENATE
OFFICE OF THE PRESIDENT

March 2010

Volume 36 Issue 9

President's Message
Senator J Al Murphy 23690
almurphy@bell.net

It is only two months until the 35th Annual Crew Meeting and the Election of our new President and Vice President. As we all know we have Vice President Rene Jacob 22847 in position for President, but we are still looking for nominations for Vice President. This year's Candidates for President must live West of Ontario/Manitoba Border and Candidates for Vice President must live east of Ontario/Manitoba. Please contact Past President Paul Winger 23735 with your nominations.

If you wish to order Senate Shirts or other items before the 2010 Crew Meeting, contact Vice President Rene Jacob, keep in mind that it takes a few weeks to process, produce and ship personalized items.

The new Senate Directory is now in the planning stage; please ensure that Senator Barney has your current information. If you haven't sent in a contribution for awhile now would be a good time to do so and update your information at the same time.

I would like all Senators to take a minute and go to Page 169 in the 2007 Senate Directory that is the Dormant and Missing Senators list. If there is anyone on the list that you know, would you try to make contact and encourage them to reconnect with the Senate and get their current information to Barney so that they will be listed in the new Directory.

Secretary Treasurer Barney C Ziola 14018 and Molly have started the process to produce the 2010 Canada JCI Senate Directory. Barney will receive the first printout of the 2007 Directory on March 31, 2010 from Calvin Paul, Sheane Graphics Limited. We require all Canada JCI Senators, Maple Leafs and others who receive this Newsletter to advise if they have had any change in their personal information like home address, telephone or Fax number, E-Mail address or marriage status no later than April 30, 2010. If you have any changes whatsoever, please send them by regular mail to Barney C Ziola, 8500 Bairdmore Crescent, Richmond, BC V7C 1M7 or by E-Mail **canadajcisenate@shawcable.com**.

All members who have registered for the 2010 Crew Meeting in Kingston are reminded to bring along one or more items to be used for our famous draw which is back after the 2009 Crew Meeting Cruise to Alaska.

That's all for now.....until next time....STAY WELL.....and remember....."Democracy Must Be Something More Than Two Wolves and a Sheep Voting on What to Have for Dinner"

Past President – Senator Paul Winger 23735 –paulwinger@shaw.ca

Well how did you like those 2010 Olympics and that Canadian pride? I wish early spring blessings on everyone. From my little part of the world the skiing is still great and our golf course opened Thursday March 18!!

The inaugural meeting of the BC Interior JCI Senate was held on February 23. We had 31 in attendance and another 6 have expressed interest in belonging. It is a great mix of Senators. Our eldest statesman is Senator Reg Dorrett 2590 and our most recent Senator is Matt Jennings 69209. Most of our Senators have numbers higher than 50,000 so we should have no problem with succession planning. We have agreed to meet 3 times a year with one meeting to be held in May to coincide with the JCI BC/Yukon Regional Conference. Our Secretary Treasurer is another recent Senator, Kimberly Hutton 69131 and yours truly agreed to be President. It was a fun evening. We intend to be social in nature while at the same time assisting/mentoring JCI Canada Chapters as asked and appropriate. Our annual dues are \$20.00 and we hope to make donations to the Canada JCI Senate Bed Net program as a way to honour special events. A few of our group will be in Kingston for the Canada JCI Senate Crew Meeting & we intend to have an even larger presence in Victoria in 2011.

The Canada JCI Senate fiscal year ends soon, so as Past President I encourage everyone to make a contribution to the Canada JCI Senate if you have not already done so. In addition, the Senate Bed Net program is a great way to acknowledge birthdays, anniversaries, graduations etc. I hope to see many of you in Kingston in May.

In closing I leave you with a powerful quote from Dr. Albert Schweitzer.

“I don’t know what your destiny will be, but one thing I do know. The only ones among you who will be really happy are those who will have sought and found how to serve.” Service to humanity is the best work of life.

My wish for all Senators, their friends and families is for them to be very happy.

Vice President – Senator Rene Jacob 22847 – sen.ren22847@shaw.ca

For the past six weeks, my life has been completely involved with the 2010 Olympic Games, from the Opening Ceremonies on February 12 until the closing - then directly into the Paralympics where I am now totally immersed. I have been volunteering as a VIP Protocol Officer at the curling venue. What we do is host the dignitaries from all over the World in a segregated seating area and lounge. The list of dignitaries I met goes on and on. Royalty including the King and Queen from Greece, Norway and Sweden; Princess Anne; Prince Albert of Monaco (who is also a JCI Senator); politicians such as Prime Minister Harper, US Vice President Joe Biden, Premier Gordon Campbell; and athletes including Kip Keino of Kenya, Carl Lewis of the USA, Marnie Mc Bean of Canada and Wayne Gretzky who almost caused a stampede into our area when he showed up to support the two curling teams representing Canada. I have been having the time of my life and do not regret one minute of the time I have dedicated to this endeavour. As I write this I see that we have one more week and it will all be over, but what a ride it has been. If ever any of you get a chance to participate in something like this, do not miss it.

LAST CALL - This is your last chance to order a senate shirt for delivery prior to the crew meeting in Kingston. An order form appears elsewhere in this newsletter and is also available on the website.

The Road We Travel

Secretary Treasurer Barney C. Ziola 14018 – canadajcisenate@shawcable.com

I now have two articles on hand of "The Road We Travel" for the Canada JCI Senate Newsletters for March and April/May 2010. So come on any Senators between 143 and the latest, you now have the time to sit down and compose an article for future Newsletters starting in January 2010. For the comments that have been received, members of the Canada JCI Senate are really enjoying the articles that we have received and published in the past. I now challenge all Senators and Maple Leafs who have not submitted an article to take the time for the rest of us to read about them in the Newsletter. Tell us how you got involved in the JCI organization, the community you live in and what inspired you to become active in this great organization.

Senator George D Willits 12250

Back in 1962, we decided that running a branch for Tillsonburg Pipe & Supply in Smiths Falls, ON, and traveling all eastern Canada was not conducive to being a good husband and father of three young sons with a fourth child on the way. In 13 years with the company, we had met a wide variety of people, and thus had a wide range of experiences, from beggars in Jamaica, to CEOs in Montreal. We determined that our next work would be helping people help themselves and ended up going with The Mutual Life of Canada (MLC), as an agent in Smiths Falls, It was a great fit. We proved that the more you give of yourself, the more you receive.

A couple of years later, a friend asked me to consider Jaycees as they were in need of a person for President and felt I was the type. Thinking this would help them out and since the Jaycee Creed was a great verbalization of my thinking, I joined the unit of 11 young men. It turned out to be a real WIN/WIN situation, with Leadership training, Public speaking, etc. etc. I was one of the first SPOKE award recipients, earned many accolades, Spark Plug award, etc. and President of the unit of over 50 members in 1966. Arthur H Turner 4719 was Ontario President, Ivan Bumstead 4625 Vice President, Robert W Clark 6072 District 7 President and John D Currie 7135 District 6 President. What a great bunch to learn from.

In 1967 the company put me through their Management Training in Waterloo. Now over age 35, we were told that I was too old for the Kitchener Jaycee unit and they presented me with a walking stick.

The MLC moved Kathleen & I with 6 children to North Vancouver, a 20 minute commute to my office at 1281 West Georgia Street, Vancouver in 1969. When out recruiting for agents, we met a dynamic Robert D Fell 18487, who mentioned he was, or was about to become President of the North Shore Jaycees. We offered him my President's Manual etc., explaining that he might as well get some good out of it, now that I was too old for Jaycees. It turned out, Robert had other ideas.

With a group like Robert Fell, Robert Conconi, Gordon J Phillip, John M Schlosser, et al, it was too much to expect to be let off the hook that easy. They sold me on joining as an advisor, and then things went from good to great from there. It once more proved to be a WIN/WIN situation.

Our Branch office was moving ahead nicely, I obtained my CLU degree, Board of Trade Member, Elder in the Church, helped out with the industry courses, etc. and moved to a new home just off Nancy Greene Way in North Vancouver.

The North Shore Jaycee unit was going great guns, and had us training, instructing, and even speaking at the Jaycee Totem Park Conference on the same roster as the much admired Albert H (Bert) Kennedy 5922. Other speaking engagements for the unit included the Cranbrook Kootenay District meet, Gordon J Phillips run at the BC & Yukon Jaycee Presidency in Nanaimo (where Gordon got his Senatorship), etc. and the Bayshore Inn Vancouver Jaycee Convention.

On the 12 day of January 1971, they had me made JCI Senator 12250, and made the presentation at a big ballyhoo in March. What a surprise! Wow! Now I had to live up to all that expectation. To make sure, they rigged my election to Chairman of BC & Yukon Senate at the Kitimat Convention. Talk about WIN/WIN!

In 1973 we left the position of Assistant Branch Manager of one of Mutual Life Canada's largest branches, to become Manager of the Brockville branch in eastern Ontario (about 38th. in the Co.) and nine years later, led it to the top spot in the company, eclipsing the previous Vancouver branch. Was it because of Jaycees that it happened? They were certainly a BIG part of the improvement of the man.

A few years after leaving Vancouver, Robert Conconi and cohorts, arranged a gala Jaycee event in my honour in Vancouver. What an experience!

A time went on we were chair of the LUATC, Director, CLU Chapter, chair of the Wall St. U.C. Ventures In Missions which raised over \$500,000.00, which was the second highest in Canada, Shrine Clown, etc. etc. Later moved to an 8,000 sq. ft house on the St Lawrence and had a 32' cruising sloop, made several trips to California, Florida, Jamaica, etc. and life was good!

However in 1987 disaster struck disguised as burnout. Three years later it was identified as Chronic Fatigue Syndrome/Myalgic Encephalomyelitis (CFS/ME), the cure for which was one year of complete rest mentally and physically as soon as the Doctor has identified it. Too late! We pushed too hard too long thinking it would pass. They say the ME ages one 25 years. Kathleen decided if she was going to look after two cripples, it would be in one place. In 1991 she chose Woodstock as it was central to many of our family. Her mother, now 95 still lives with us. "Gram" calls me her favorite son-in-law (her only one).

Not to worry, we believed in what we sold, so have no monetary problems, lots of time to spend it, and for a 104 year old (with a memory to match) I'm in good shape. The downside is we are unable to fly, or travel more than a few miles at a time, and unable to function in a group, however we get along fine one-on-one, and have several friends to share with. We even see Senator Robert G Bowie 28795 from time to time, as he lives just down Canterbury Street.

Now, if I could just quit smoking the pipe, perhaps the pomegranate juice would work more wonders.

I would like to challenge Senators Arthur H Turner 4719, Robert W Clark 6072, John D Currie 7135, Robert D Fell 18437, Robert L Conconi 33276, Gordon J Phillips 11407, John M Schlosser 20644 and Robert G Bowie 29644 to "Return the Favour". It is now your turn, how about submitting an article to Senator Barney C Ziola for the "The Road We Travel". I am sure that all Senators, JCI Canada Executive, Board of Directors and Chapter President would enjoy reading about how you got involved in your community, business and Jaycees.

Canada JCI Senate Ambassador to US JCI Senate – Senator Vik D Farrugia 59813 – shirvik@rogers.com

A year ago I went to my first US JCI Senate Region 5 Spring Fling. It started as a golf trip with a friend and coincidentally ended up at the same location as the meeting in Kentucky. At that time I was not "officially" the Canadian JCI Senate Ambassador as Al had not talked me into it yet. However I was treated royally and decided then that being Ambassador was really a job of re-meeting my American friends on different occasions. I have enjoyed the job ever since.

There will be 4 London Senators at the meeting and 3 of us are going to enjoy an NHL game on the Thursday before. It should be a great time and interesting to see who the new officers will be. Next stop is the Crew Meeting so we shall see as many of you there as possible.

Canada JCI Senate Bed Nets Campaign - NOW at 627 March 21, 2010
Senator J Joseph Hogan 29280 – joe.hogan@rogers.com/905-728-2558

Best Job in the Senate!

Hearing from Senators across the country, depositing cheques that will improve life's struggle for children and families in Sub Saharan Africa, and watching the spirit of the Canada JCI Senate live on as we join together in the Bed Nets Campaign has been in short "wonderful".

Senators, we are approaching the end of our first year with the Bed Nets Campaign (May 2010) and I'm amazed by the generosity, the participation and the great comments that were attached to the donations. Let me share a few....

"an excellent project to say the least"

"birthday greetings for a fellow senator"

"hope this helps"

"all in attendance said let's do it"

"one for each of my grandchildren"

"hope you surpass the 500 target"

"in memory of..."

"donating to this worthwhile cause"

"congratulations for organizing this worthy project"

"congratulations on your work"

"celebrating the birth of their healthy baby"

"thanks for letting Senators know how we can help"

The newly designed (and donated too) flyer and donation form is soon to be posted on the Canada JCI Senate website. I thank Ms Gasper of Humber College in Toronto for her work and time on this. Check it out at www.canadajcisenate.com

Senators who wish to donate a Bed Net - please forward your cheque to:

Canada JCI Senate Bed Nets Campaign, c/o Joe Hogan, Senator 29280 700 Grierson Street, Oshawa L1G 5J5

expense of eliminating the form for completion with contributions and comments, especially when contributions are down or perhaps this page was just missing in my mailing. In any event it was great to see the name of Dave Marcotte listed among the contributors for the Bed Nets. We go back a long way as you note he is Senator 2191 and I received my Senators Pin 5821 a few years later after serving as President of the Windsor Ontario Jaycees. We had a great group in those days – many major civic projects and events. We even hosted the National Jaycee Convention, etc. I'll try to contact Dave the next time I am in Windsor. I have some relatives in Oshawa the "Vail" clan –we visit often. (Allan – The next time your in town, call me, we can meet for a coffee. Also please note the comments by Senator Dave Marcotte above – Al).

PRITCHARD, D Bruce 7061 – 1131 Alpine Place, Thunder Bay, ON P7E 3K5 (R807-475-7404) (E-Mail: bpritchd@baytel.net) (Agnes) – Good to read Senator Fred Meyers 1472 comments in last months Newsletter. Fred was the one who got me to join Jaycees back in 1957 and sold me my first house I'm living in 50 years later. Thanks Fred, Jaycees taught me a great deal that opened many career and community organization doors, making friendships and leaving behind legacy projects. I'm proud but modest to say I was involved with making them happen. Agnes and I have registered for the 2010 Crew Meeting in Kingston and looking forward to meeting up with our Senate friends and delegates. Thank you Barney for keeping the Senate wheels oiled and running smoothly.

To advise everyone Senator Philip Colosimo 2591 passed away August 8, 2009. His wife Anita was a Past Jaycette President, Philip was a Past President of the Fort William Jaycees, Separate School Board Trustee for 30 plus years and was a Fourth Degree Knight of the Knights of Columbus. He was well respected in the community. (Bruce – Thank for your comments and advising us of the passing of Senator Philip Colosimo. The Canada JCI Senate members send their condolences to the Colosimo family – Barney).

CHARMAN, Eric 4216 – 691 Donnington Place, Victoria, BC V8Z 7K1 (R250-658-1056) (Fax: 250-658-6096) (E-Mail: ericcharman@shaw.ca) (Shirley) – Thank you for the reminder that my donation is due. Enclosed, please find a cheque which should cover whatever we are supposed to pay plus a donation. I really do enjoy reading the Newsletters and all I can say is "keep them coming". (Eric – Thank you for your contribution and we will see you at the 2010 Crew Meeting in Kingston – Barney).

MATTHEWS, Obed I 1689 – 14 Costello Ave, Nepean, ON K2H 7C4 (R613-829-0328) (E-Mail: obedmatthews@sympaticp.ca) (Doreen) – Al and Barney keep up the good work. I look forward to the Newsletters. If my health permits, Dodie and I will see you in Kingston. (Obie – I am glad you enjoy the Newsletter and Barney does a good job with it. I am looking forward to seeing both of you in Kingston – Al).

SUTTON, Kenneth B 21865 – 866 Windermere Ave, Toronto, ON M6S 3M7 (R416-767-9445) (E-Mail: ksutton@symptico.ca) (Lorraine) – I am sorry for the delay in getting the contribution out. Usually I pass it along at the May meetings but since Lorraine and I had done the Alaska cruise a few years back, we didn't feel the necessity of going again so soon. Every time I sit down to write cheques I make a mental note to write one for Canada Senate, but always get interrupted for one reason or another. Have been extremely busy with work and am on the Executive of our Curling Club. I am responsible for a complete refurbish of our ice shed and clubhouse (we got \$600,000.00 in funding from government and have to add \$400,000.00 of our own dollars, but all must be spent by March 2011). I will be REAL busy over the next six to eight months, but intend to go to Kingston. Not sure if I will make it to any Senate lunches at Bumpkins although I would like to go. If not I will see you in Kingston. Give our hellos to Alberta. (Kenneth – Nice to hear that you are staying busy and out of trouble. Alberta and I are looking forward to seeing you and Lorraine in Kingston – Al).

DUBOIS, Rick 65727 – 3 – 4409 – 20 St, Vernon, BC V1T 4E4 (R778-475-1575) (Fax: 250-503-5420) (E-Mail: rickdubois@shaw.ca) (Kathleen) – I have recently been re-inspired with JCI by Senator Rene Jacob 22847 for his many visits to the local Vernon Chapter and his work with the Olympics. I am also very appreciative to Senator Paul Winger 23735 for his visits and for starting the BC Interior JCI Senate Group. The next time you see Paul ask him why his skin is so soft and smooth and hair so manageable. My new found inspiration has spurred me to sign up and book my flight for the Crew Meeting in May and to make my first contribution in my Jaycee Senator history. Thanks Guys. (Rick – Senator's Jacob and Winger do inspire people don't they. What is this about Paul's hair and skin? Sounds like a story here, you will have to tell us sometime – Al).

HUGHES, Robert L 65453 – 530 Sandbar Place, Tsawwassen, BC V4L 2L2 (R604-943-3505) (Fax: 604-943-3850) (E-Mail: bhughes@dccnet.com) (Gwenda) – Barney – Please see the enclosed cheque for my contribution. I have included a contribution for the Bed Nets campaign, which is a very great idea. Good to see Bill Enefer 8136 and Al Bailey 2111 are still in good health. I have coffee with the Tsawwassen Probus Club once a month and see two JCI Senators. It was sad to hear of Doug Pollard 2099 demise. He was a true Jaycee and a good man. We have lost one of the Jaycees' strong contributors. My condolences go out to his family. I have started to do a "Road Trip", but due to lack of time haven't completed it yet. Thanks to you Barney, you're wife and your dedication to the Senate's cause. (Robert – Thanks for your comments and we both hope that you will join us at one of our future Crew Meetings when held here in BC – Barney).
