

CANADA JCI SENATE
OFFICE OF THE PRESIDENT

November/December 2010

Volume 37 Issue 6

President's Message
Senator J Rene Jacob
sen.ren22847@shaw.ca

We send greetings from snowy Vancouver. Believe it or not, we have snow on the ground in November - a rare sight indeed. But life goes on especially for Past Canada Jaycee and Canada JCI Senate President Reg Dorrett 2590 who was recently remarried. Congratulations from your many Senate friends.

Congratulations are also extended to the English and French speaking JCI Canada debate teams who both brought home first place awards from the recent JCI World Congress in Japan. Senator Viviane Lyrette 69952 was a member of the French team.

You should by now have received your copy of the 2010 Senate Directory. We purchased 500 copies; Senator Barney Ziola 14018 mailed out approximately 350 to those who had already paid for their copy; he will be sending out 33 copies courtesy of the Canada Jaycee Foundation to the JCI Canada National Officers, Regional Presidents and Chapter Presidents to encourage them to contact local Senators for assistance when required. That leaves about 115 copies. They can be purchased by sending \$15.00 to Senator Barney, or by adding \$15.00 to your annual donation.

Speaking of our Secretary-Treasurer, we have found it necessary to replace the computer he uses. The old one was 8 years old. We are counting on your generosity, hoping that you will add a little to your annual contribution to cover this unbudgeted expense. The life expectancy for our computer is 5 years and it should have been replaced a few years ago. In the future, we should consider setting aside about \$300.00 on each year's budget for this necessary expenditure.

Plans for the Crew Meeting in Victoria are going great and it will definitely be an event to remember. At last report registrations had reached 109. The cruise on the military frigate is restricted to 200 people; so be guided accordingly. A report from the committee appears elsewhere in the Newsletter.

We have received the official declaration of a candidate for each of the elected positions for 2011-2012 as well as a host city for the 2012 Crew meeting. More details on this will appear in the Newsletter early in the New Year.

The tip of the "RETURN THE FAVOUR" hat this month goes to Senator and Past Canada Jaycees President Alan Salmon 12323 who twice took time away from his busy schedule to address the JCI Lower Mainland chapter. The second session was a seminar on the use of Excel. That's what returning the favour, is all about?

Believing that "Service to Humanity is the Best Work of Life", Senator and Past JCI Canada President Matt Hutcheon 60917 has joined with the International Scout and Guide Fellowship to organize relief efforts to Grison Garde, a community in Haiti. Cash for a water purification system as well as non prescription drugs and used eyeglasses are desperately needed by the children of that area. If you want to find out how you can help in his efforts, contact him at vista@kos.net.

Those of you who use FaceBook are encouraged to check out our new page "Canada JCI Senate" authored by our Webmaster, Senator Jackie Ward 68855. It is receiving a lot of attention, especially by the younger Senators who we rarely hear from.

Twenty Senators from around BC gathered recently for a private "Celebration of Life" for the late Senator Bert Woodcock 27640. He will be missed.

In closing I would like to wish everyone a Merry Christmas and may 2011 be your best year yet.

“We will remember them”

Vice President – Senator Lloyd L Stockdale 20377 – lloyds20377@rogers.com

I would like to make a correction to my article in the last newsletter regarding the Gourmet Dinner. I recognized a number of notable Senators in attendance, with the exception of one. This was my very good friend Senator Ed Travolo 6840. Ed was the third Canada JCI Senate President from 1976 - 1978. I apologize for the oversight.

On November 10th, JCI Toronto elected a new President. I would like to congratulate Jeremy O'Krafka and wish him the best of luck. Jeremy is very keen on building the Toronto Chapter and has solicited a number of Senators and past members to help. JCI Toronto is also hosting the Canada JCI National Convention, September 2011. Any help and/or suggestions from Senators would be greatly appreciated.

November 24th, I had the opportunity to attend the Durham Region Senate FUNRAISER. Senator Joe Hogan 29280 did a Masterful Job of organizing this event along with his committee. There were 41 Senators, Spouses, Jaycees and friends in attendance. It was a great evening and I believe Joe has arrived at 1000 + Bed Nets since the program started. It is great to see the Senate and Friends supporting such a worthwhile project. Hats Off to Joe and keep up the great work.

November 25th, I had the opportunity to attend a luncheon organized by Senators, George Moad 20451, Gerry Meinzer 12554 and Rick Walker 12553, with 20+ in attendance. It was a very interesting lunch with the Honourable Douglas G. Lewis 8129 in attendance, along with Alistair M. Fraser, Chairman of The Bob Rumball Centre for the Deaf and many other Senators, Friends, Former and Future Jaycees. We all had the opportunity of sharing stories of our successes and failures in the Toronto Junior Board of Trade which was very comical and interesting.

December 1st, is the Annual Meeting of the Greater Toronto JCI Senate Group, which I will be attending on behalf of the Canada JCI Senate, as well as being a member. The guest speaker will be Mr. Don Pangman, former CEO of HSBS Securities. We will also be electing a new President to lead us for the upcoming year.

For those of you that wish to order Senate Supplies, please refer to the order form which is included in this Newsletter and send me your order at your earliest convenience. We have various styles of shirts, various Senate pins and other items that may be of interest to you. I wish to thank those of you who have purchased Senate paraphernalia so far this year.

Exhilaration is that feeling you get just after a great idea hits you, and before you realize what's wrong with it.

As this is the last Newsletter for 2010, I would like to take this opportunity to wish all the Senators, Maple Leafs, Jaycees and Friends: **A VERY MERRY CHRISTMAS AND A HEALTHY AND PROSPEROUS NEW YEAR**

Secretary Treasurer Barney C. Ziola 14018 – canadajcisenate@shawcable.com

The following article is the last one I have on hand for "The Road We Travel" for the Canada JCI Senate Newsletters. So come on any Senators between 143 to the latest and Maple Leafs, you now have the time to sit down and compose an article for future Newsletters starting in January 2011. For the comments that have been received, members of the Canada JCI Senate and JCI Canada are really enjoying the articles that we have received and published in the past. I now challenge all Senators and Maple Leafs who have not submitted an article to take the time for the rest of us to read about them in the Newsletter. Tell us how you got involved in the JCI organization, the community you live in and what inspired you to become active in this great organization. A large number of Senators and Maple Leafs would not like to see "The Road We Travel" end as we know that each and everyone of you have a very interesting story to tell.

Any member or associate member who would like to send in a story (true or funny) that actually happened between the times you joined the Jaycee/Jaycette organizations and now may do so. These stories, if you wish should include the names of others who participated in the event.

Senator Eric Charman 4216, C.M. O.B.C.

I arrived in Canada in March of 1953, as an un-adopted orphan from Great Britain. In 1955 I was invited to join the Victoria Jaycees and my first active participation was in the work party digging out the Victoria Harbour embankment and creating the garden flower bed which remains today. "Welcome to Victoria". These flower beds are across the road from the host hotel of the 2011 Crew meeting. I had the fun and joy of participating in all aspects of the work and programs of the Victoria Jaycees and served as Chairman of the Victoria Exhibition in 1962, totally organized by our chapter. This exhibition made a net profit of \$25,000 and as a result of our negotiations with the Provincial Government; we received matching dollars, thus allowing us a total of \$50,000 to give to the newly created University of Victoria for its first radio isotope laboratory. When you think about it, \$50,000 was not an insignificant gift in 1962! In 1961, I won the National Effective Speaking competition, having succeeded at all competition levels with unanimous decisions. I was the only entrant in the competition that had never taken any public speaking lessons. In 1961 the Victoria Jaycees sent me to Hong Kong to accept, on behalf of the Victoria Chapter, the trophy for outstanding Junior Chamber of the World.

At our weekly dinner meetings we always preceded the dinner with a recitation of the Jaycee Creed and I was and have remained mindful of the final tenet, "SERVICE TO HUMANITY IS THE BEST WORK OF LIFE". I was a lonely man when I arrived from England and felt that through my activities in the Jaycees and as a result of meeting many who became life-time friends, Victoria had actually adopted me. Therefore, I was determined to put back into the community when and wherever possible. I conducted my first amateur auction for charity in 1956, this was followed by invitations to auction for a variety of charities and in subsequent years I completed approximately 460 auctions. After leaving the Jaycees I continued my community activities as the Jaycee Creed had suggested, covering many interests in the fields of health, sports, and the arts. I was one from the original group that organized a bid for the Commonwealth Games staged in 1994 and in 1987 I managed to arrange with various businesses and individuals sufficient funds to finance the bid. I remained on the Board of Governors until the Games were completed in 1994. During the last 25 years, I have put special emphasis on the performing arts and the Conservatory of Music to encourage and support young students in the musical arts; I have also continued active participation with many other groups such as the Cancer Foundation, CNIB. The leadership training which I gained from my membership in the Jaycees during the years 1955-65 served me well and many of the young business men who have remained my friends have supported fundraising functions which I have had the joy of heading up. Some of these events have netted as much as \$400,000 per function. We've raised these large sums of money in spite of the fact we are not a large business city with any kind of head offices, etc. In return for my efforts the citizens have been very kind, have nominated me for a host of awards, in fact I believe I am over-decorated! Among the awards and accolades given to me and for which I am most thankful, are:

Bovey Award from the Canada Council for Business and the Arts	Outstanding Citizen of the Year
The Governor-General's Performing Arts Award for Volunteerism & Patronage	Order of British Columbia
Honorary Doctorate of Laws Degree from the University of Victoria	Order of Canada
Honorary Life Membership, the Victoria Symphony and Pacific Opera	Honorary Citizenship – City of Victoria
Philanthropist of the Year Award	

In business I started with a small real estate agency and continued business as Charman Pacific Reality Ltd., for thirty-eight years. I consistently received the highest individual producer awards for sales and enjoyed putting back into the real

estate industry, having served as President Victoria Real Estate Board on three occasions, Chairman British Columbia Real Estate Association and the only person to have served two years as National President Canadian Real Estate Association. In later years I served as Chairman of the Real Estate Council of British Columbia. For my work in organized real estate I received Honorary Life Memberships in the Victoria Real Estate Board, BC Real Estate Council and Canadian Real Estate Association. Since retiring from business in 1993, I accepted invitations from Ottawa to serve in dollar a year capacity as member of the National Capital Commission, trustee and Finance Chairman National Arts Centre, member Official Residence Committee.

With the assistance of friends from Jaycee days, I have been able to prove that a newcomer to Canada can get to the top in business. I always took the position that one must turn a "problem into profit" and a "tragedy into triumph". I have been married to my wife Shirley for forty-eight years and we have a happy family, two sons, two daughters, four grand-sons, four grand-daughters. My hobbies include gardening and we are fortunate to have a large and beautiful garden in Victoria which has been made available to many charities for their fundraising activities. I am an ardent fisherman. In 1996, I probably gained an opportunity to join the Guinness Book of Records because I FOUND MY MOTHER WHEN I WAS AGED SIXTY-FIVE AND SHE WAS AGED EIGHTY-TWO. I had never met her before. After finding my mother, I regularly visited her, three times a year, for the last seven years of her life and she died at the age of ninety. As a result of meeting, I was able to connect her with brothers that she had not met since she carried her head in shame because of the illegitimacy, which in 1932 was almost regarded as an infraction of the criminal code. I now have family in the form of several cousins with whom I meet and connect on a regular basis in Great Britain.

It is lamentable that the Jaycees are not the active and energetic force that we knew the organization to be in the 50's and 60's. I well remember when Victoria city council was considering a possible major change in any area of its administration – decision makers would say "we had better run this by the Victoria Jaycees before we make any final decision or public announcement"! That was the kind of leadership and influence I wish we could see returned in business and community affairs from our younger generation today. Currently, my activities include President Victoria Symphony Foundation, Chairman, Egon Baumann Music Foundation, Member, Telus Community Board, Co-chairman – 2011 Crew meeting – an event all Senators should try and attend as Victoria will be putting on the best Crew Meeting you've ever experienced.

Canada JCI Senate Ambassador to US JCI Senate – Senator Vik D Farrugia 59813 – shirvik@rogers.com

I do not have a lot to report on my traveling adventures to the US this time. The hopes are that I will venture off after the New Year. The US JCI Senate Region V Spring Fling in Romulus, Michigan and the US JCI Senate National Convention in Naperville, Illinois are definitely on my radar. Add to that, what looks like will be an impressive Crew Meeting in Victoria and that would be a busy first half to 2011. The list of attendees and the top notch activities make the Victoria visit a must. I can hardly wait to visit one of Canada's prettiest cities once again. The organizers seem to have done their homework - well done.

Before all of that happens, remember to take time out during the Christmas celebrations to appreciate your loved ones. Make sure you try to slow down your busy life style and spend time with those you care about during the festive season. On behalf of the Farrugia family and the London and Area JCI Senate, I would like to take this opportunity to extend to all of you - The merriest of Christmas' and a healthy and prosperous New Year.

US JCI Senate Ambassador to Canada JCI Senate Senator Phyllis Bowers 51430 – phyllisbow@aol.com

Mid Canada JCI Senate Report – Vice President Senator Art Braid 6211 – braids@mts.net

The Mid Canada Senators wish all their fellow Senators, wherever they may be, a very happy Christmas and peaceful New Year.

Some of us are looking forward to attending the Winnipeg JCI Chapter's Annual Christmas Dinner Gala on December 3. This is an opportunity for our group to strengthen our ties with the current generation of “young people who can change the world”. Once again the Annual Santa Claus Parade run by the Winnipeg Chapter was a great success and received local and national publicity. This year in Edmonton, the Chapter won (amongst five Awards) the Best Business Development Opportunity Award for the 100th Santa Claus Parade. I will be attending their Election Night later this month.

Canada JCI Senate Webmaster – Senator Jackie A Ward 68855 – jackwards@hotmail.com

Something I came across online.....

JCI is promoting December 11 as JCI Active Citizen Day. Here are some of the things JCI members around the world are doing to commemorate the new holiday:

- On the 11th of December, JCI Italy will hold the 2010 Creative Young Entrepreneur Awards Ceremony and Christmas dinner!
- JCI Lemesos (Cyprus) is having a 4 day Charity Photo exhibition for the Nothing But Nets campaign starting at 8/12/2010 and ending on the 11/12/2010 as well as the JCI Lemesos Gala Dinner in the evening to celebrate the day with all JCI Cyprus members and friends
- JCI Arkansas (USA) will be having a local officer training session for all the LOMs in the region.
- JCI Lattakia/SYRIA is holding a Corporate Social Responsibility (CSR) competition award ceremony on December 9th.
- JCI Reading, UK are having their annual Gala Dinner with keynote speaker Emily Cummins, 2010 TOYP Nominee
- JCI City (Zimbabwe) is having a combined Christmas party, life skills training session and awards ceremony with a local orphanage.

Enjoy your holidays and see you all in 2011!

Canada JCI Senate Bed Nets Campaign NOW at 1055 November 29, 2010
Senator J Joseph Hogan 29280 – joe.hogan@rogers.com/905-728-2558

We Do Believe - Senators, Maple Leafs and friends of JCI have illustrated once more they live the JCI creed "that service to humanity is the best work of life". This past month has been a phenomenal time for our Canada JCI Senate Bed Nets Campaign. Our very realistic goal of 1000 bed nets by December 31st has been achieved with a large number of "ordinary Senators" doing what they can, as best they can, from across the country.

The Durham Region Senate Group in Ontario recently held their FUNraiser Night for Bed Nets. In short, mixing food and fellowship and fun (with a little Durham Region sauce!) drew 44 bed nets from ticket sales, 36 bed nets from "Senate games" and a whopping 92 bed nets from Senators and friends who could not attend but believed in the cause--yes "172" bed nets. Congratulations Durham Region Senators! Thanks to all who contributed. Special recognition goes to those who drove in from St. Thomas, Barrie, and Belleville to JCI Whitby for 40 bed nets donated from their Santa Claus Parade registrations, and to the Sudbury Health Unit who were guided by a "Senator" in making a donation of 17 bed nets. It's been a terrific month as we collectively raised the total to **1055**.

Senate groups across the country are invited to try a "FUNraiser" for bed nets in 2011. The recipe is simple, with the ingredients of fellowship, food, games and prizes. Announce the date, open the door of a "little pub in your town" and enjoy the night. Invite everyone and don't forget the local JCI chapter members!

Senators who wish to donate a Bed Net, please forward your cheque to: Canada JCI Senate Bed Nets Campaign c/o Joe Hogan, Senator 29280, 700 Grierson St. Oshawa ON L1G 5J5 – Each bed net costs \$10.00. Donation /Acknowledgement Form also available at www.canadajcisenate.com

Proudly listed below are the "Bed Nets Senators" and Senate Friends for November "Thanks for Giving"....

Plan to be a Bed Nets Senator in 2010. Your donation of \$10.00 will purchase one bed net and contribute to the JCI Bed Nets Campaign. We can make an important difference in the life of a young child by helping to stop the spread of malaria in Sub Saharan Africa.

Send a Net....Save a Life

Thank you to everyone across Canada and the USA who has contributed to the Bed Nets Campaign this year...it truly is a pleasure to chair this project with so many caring/generous participants. I look forward to our continued success in 2011.

"Merry Christmas, Good health and much happiness through 2011 is my wish to all."

DORRETT, Reginald H 2590 – 905 – 1160 Bernard Ave, Kelowna, BC V1Y 6R2 (R250-763-2464) (Fax: 250-763-0614) (E-Mail: ridorrett@telus.net) (Laurie) - Hi Barney - I haven't talked to you for awhile so thought I would give you a little update. After a difficult first year without my mate of 55 years things have turned around wonderfully. I'm pleased to tell you that I've met a former high school sweetheart after having not seen or heard from each other for some sixty years. We've really hit it off and to make a long story short were married in Calgary on Nov. 13. She's living in Calgary so we'll live six months there and six summer months here in Kelowna at this same address.

I'll look forward to catching up with some of the old Calgary Senators and can be reached at 403 241 5435. I'll continue to keep my current e-mail address as well. Her name is Laurie, a wonderful lady, who lived for some time in Victoria, so we're planning to attend the Crew meeting and will look forward to having you meet her there. It's pretty exciting for an old codger and I know we're going to be very happy together. My annual contribution is in the mail. Cheers and best wishes to you and Molly. (Reg – I am sure that all of us from the Canada JCI Senate who know you are very happy and wish Laurie and you the best for the future – Molly & Barney).

KRYSTALOWICH, Peter 5293 – 4109 Cabot Place, Victoria, BC V8N 4V9 (R250-477-1264) (Doreen) – I hope this will help. (Peter – All contributions help to defray the cost of servicing the members – Barney).

CLARK, Robert W 6072 – 1587 St. Lawrence Ave, Kingston, ON K7L 4V1 (R613-546-0022) (Fax: 613-546-5215) (E-Mail: clarks@kingston.net) (Myrna) – As I get closer to getting off this dizzy-spinning planet, I fear what tomorrow will really look like without a dynamic young men's organization dedicated to training and development? I was proud at the job the Kingston "Crew Team" did in show casing Kingston and host Senators in the spring – "The Spirit Lives". (Robert – Kingston was a great crew Meeting and the Victoria committee is trying to out do Kingston. We hope to see you and Myrna there – Rene).

SALMON, Alan 12323 – 2880 Queen St, East, Suite 121, Brampton, ON L6S 6H4 (B647-722-4741) (E-Mail: alan@k2e) (Nancy) - Well another year has come and almost gone. 2010 was another successful year for Nancy and me. We once again enjoyed our holiday's trips to Europe and Australia. Business is good and we have expanded again. In August we had a great time at the barbeque that Senator Bill Scribe and Kathy hosted at their home in Oshawa. It was great to visit with our Oshawa Senate friends. I had a business trip to Calgary cancelled in October, so Nancy and I were able to attend the Senate Gourmet Dinner. Russ Cooper 4638 keeps doing it better and better. I have another month of travel and then it will be time to relax and spend Christmas with family. (Alan – According to my good friend Marilyn, she told me that she has to keep Russ under constant training for the job of husband – Barney).

POITRAS, David L 66905 – 2234 B Woodlawn St, Kelowna, BC V1Y 2T2 (R250-717-8700) (Fax: 250-717-8771) (E-Mail: david@eclipsecomputing.ca) – I am happy to provide a contribution. (David – Thank you and we hope to see you in Victoria – Rene).

PEARSON, Michael E 25378 – 273 Larsen Ave, Winnipeg, MB R2K 1P9 (R204-668-1294) (E-Mail: mikemel@mts.net) (Mary Lynn) – I got the E-Mail reminder and text. I totally forgot, what with the winter time in Arizona in March, spring days now. We have daughter and three kids (plus a dog) moving here from Surrey to escape the taxman (HST). It is away too expensive for a single Mom and family out there. So anyway, here's my overdue contribution and put me on the list for the directory when available. See you in May in Victoria. (Mike – Thank you and I am looking forward to seeing a lot of old friends at the Crew Meeting in Victoria. The hosts are planning a great weekend for us – Rene).

SALMON, Marilyn ML 001 – 104 – 4016 Kilmer Dr, Burlington, ON L7M 5A7 (R905-632-5018) (E-Mail: msal@cogeco.ca) – Enclosed cheque for a copy of the directory, plus a financial contribution. I had no idea I was so in arrears. I will endeavor to do better. (Marilyn – Thank you and the new directory has been forwarded by Barney – Rene).

PEPPER, Raemer EG 14004 – 2207 – 10 Ave South, Lethbridge, AB T1K 0C3 (R403-327-0104) (Fax: 403-327-6663) (E-Mail: rpepper@telusplanet.net) (Enid) – A very small contribution and I am sorry I missed 2009.
