

CANADA J C I SENATE
OFFICE OF THE PRESIDENT

February 2011

Volume 37 Issue 8

President's Message
Senator J Rene Jacob
sen.ren22847@shaw.ca

Just when we thought spring was arriving, snowflakes hit parts of the greater Vancouver area today. Fortunately, they disappeared as quickly as they came.

I had a great time in Nashville at the US JCI Senate Winter Board of Directors meeting. I ran into Senator and Prince George Jaycees Past President Chuck Truscott 10823 and his wife Elaine who happened to be passing through and I was able to get them to come on one of the tours. For those of you who were on the Alaska cruise a few years ago, past JCI UK Chairman Chris Read 50259 was also there. He is now the European Ambassador to the English speaking countries in the Americas.

My next trip will be to Kelowna for the BC Interior Senate Annual General Meeting. While that group's activities are basically social at present, expect them to bid to host a Crew Meeting in the not too distant future.

While on the subject of Crew Meetings, registrations to Victoria continue to arrive. We hit 135 at last count. There are a few single people attending so if anyone wants to save some money, let us know and we will try to match you with someone. As the drinks and munchies in the hospitality suite are free, I know the hosting committee would appreciate donations of a bottle.

We have about 100 Senate Directories remaining. If you want one, send a \$15.00 cheque to Senator Barney Ziola 14018 at 8500 Bairdmore Crescent, Richmond, BC V7C 1M7. This year for the first time, the generosity of the Canada Jaycees Foundation allowed us to send a directory to each JCI Canada National Officer as well as to all the Chapter Presidents. That little gesture has already paid dividends as two "older" Senators Alan Robins 5872 and Ross Axworthy 8130 accepted an invitation to attend the annual President's installation dinner of the Penticton chapter. The RETURN THE FAVOUR nod this month goes to these two gentlemen whose visit has inspired a lot of the younger members. Sometimes it may not seem like much but every gesture that helps JCI Canada is what my theme is all about.

The 1st anniversary of the Opening Ceremonies of the Olympics was last Saturday. I ran into Senator Rick Fisher 46720 at a brunch honouring Olympic CEO John Furlong. There were about 100 of the volunteers in our blue coats and I'll bet that we all would do it again.

Senator Jackie Ward 68855 celebrated her 40th birthday recently and rather than gifts, she asked that her friends purchase bed nets. At last count, enough money for 87 bed nets had been received. Tell me again that today's Jaycees are not as dedicated and passionate as we were.

All members send out their condolences to the families of Senators listed below who passed away since we were notified.

Vice President – Senator Lloyd L Stockdale 20377 – lloyds20377@rogers.com

Some future activities I plan on participating in will be attending Durham Region JCI Senate meeting at Murphy's Pub, February 23rd and the GTA JCI Senate Luncheon March 2nd. I will also be attending the Michigan JCI Senate - Spring Fling in Romulus, MI from March 18 - 20th, where I plan on meeting up with our Senate US Ambassador to Canada, Senator Phyllis Bowers 51430 and Senator Russ Cooper 4638. I'm looking forward to representing the Canada JCI Senate and will have an opportunity to speak. I will be promoting our upcoming Crew Meeting in Victoria and hopefully will come home with a registration or two. Wouldn't that be nice!

Contribution of your choice: Please support President Rene by make a contribution of your choice to the Senate and attending the Crew Meeting in Victoria coming up in May. It's now only three months away. Any Senator wishing to send a contribution via E-Mail can do so by sending me an INTERAC e-Transfer to my attention with your comments and I will get it to our Secretary/Treasurer immediately.

Speaking of the Crew Meeting which is only three months away - there is not much time left to order some of our fantastic products to take to the meeting. Especially the clothing so you can look spiffy at the various functions. There is an order form with this Newsletter, so don't delay, time is running out. Send me your order now.

SOMETIMES IT'S BETTER TO ASK SOME OF THE QUESTIONS THAN TO KNOW ALL THE ANSWERS

Secretary Treasurer Barney C. Ziola 14018 – canadajcisenate@shawcable.com

I have on hand one article for "The Road We Travel" for the Canada JCI Senate Newsletters. So come on any Senators between 143 to the latest and Maple Leafs, you now have the time to sit down and compose an article for future Newsletters starting in April/May 2011. For the comments that have been received, members of the Canada JCI Senate and JCI Canada are really enjoying the articles that we have received and published in the past. I now challenge all Senators and Maple Leafs who have not submitted an article to take the time for the rest of us to read about them in the Newsletter. Tell us how you got involved in the JCI organization, the community you live in and what inspired you to become active in this great organization. A large number of Senators and Maple Leafs would not like to see "The Road We Travel" end as we know that each and every one of you have a very interesting story to tell.

Any member or associate member who would like to send in a story (true or funny) that actually happened between the times you joined the Jaycee/Jaycette organizations and now may do so. These stories, if you wish should include the names of others who participated in the event.

Senator Guiseppe (Flip) L Filippelli 585

Being one of the oldest Italian-Canadian Godfather Senators (#519), I am addressing this story to the younger Ms. and Mr. Jaycees.

As I approach my 88th year, although I have had a satisfactory family, business and financial life, I will reflect on my almost 65 years of volunteering, starting with the Jaycees.

In 1946, being too shy to say no, I ended up in the Trail Jaycees on the "Stamp out VD" Committee. We had to sweep all the street corners in the City of Trail and paint on a "Stamp out VD" decal. From there, I went on to be the Trail President in 1952, BC President in 1954 and Canadian National President in 1956. The highlight of that year came when with Eldon Harwood 271 of Burnaby and I took in the Jaycees International Congress in New Zealand and the Melbourne Australian Olympics following the Congress. In 1960 Cominco Ltd. (now Teck) transferred me to Montreal. I got involved with the West Island (Pointe Claire) Jaycees. Since I had taught a version of Dale Carnegie, Jaycees effective speaking at night school in Trail, I agreed to hold public speaking classes in my Pointe Claire family room. This went on every Tuesday evening for several years. On some nights I had two students; other nights ten.

Since my kids had learned to swim in the Columbia River currents in Trail, they were quickly recruited onto the Pointe Claire Swim Team. I became a deck official, referee and eventual chairman of the Pointe Claire Swim Club. In 1970 we moved back to Vancouver and by then I was deeply involved in swimming and my Jaycees actively was only reading the Senator Newsletter.

I quickly became President of Swim BC and eventually President of Swim Canada and Chairman of the Canadian International Aquatic Association and finally a member of International (FINA) Swimming Technical Committee. Being so involved, I participated as a deck official or as a referee at five Olympics (Los Angeles '84 to Australia 2000). During the period of 1980-2000 I refereed all Commonwealth Games, World Championships, and Pan American Games. I also assumed some leadership positions in the various organizations associated with the Games. I retired in 2000 but currently remain a Director and assistant Treasurer of the UBC International Swimming Centre, the UBC Swim Team and the UBC Varsity Team. When I retired, I had to do something, so I volunteered for various associations collecting or selling postage stamps whose proceeds currently go to Pacific Assistance Dogs Association, the training of dogs for hearing, wheel chair, shut ins, etc. This is a weekly activity which gives me an opportunity to collect machine postage meters (the red postage machine stamp used by businesses in Canada), where I sort, enter them into my computer by number and store them. This takes about five to seven hours daily.

During this time my wife June does needlepoint resulting in a large collection of pillows, boudoir chairs and foot stools. My volunteer life has been highly satisfactory, honoring me with a Jaycees Senatorship, Honorary Citizen of the City of Trail, induction in the BC Swimming Hall of Fame, the Canadian Hall of Excellence and a member of the Aquatic Swimming Hall of Canada not to mention numerous honorary memberships in the many organizations I was involved with. However, I must say that my personal life has not been without its difficulties. I lost my son when he was 17 in a tragic automobile accident and my Jaycee wife Lillian died of cancer at the age of 54. My family now consists of my son Lorne and my two granddaughters and my daughter Sandra, plus my current partner of 27 years June.

Although plagued with angina, high blood pressure, arthritic hip and advanced prostate cancer, I do not feel the need to retire from volunteering after a life time starting with the Jaycees. All I can say is that volunteering is therapeutic for your health and makes life worth living.

Webmaster – Senator Jackie A Ward 68855 – jackwarfds@hotmail.com

It's great to see that so many Senators have joined the "Canada JCI Senate" page on Facebook. It has been a great source of information sharing! Please check it out to find out what our dear Senate President is up to these days, to find out how you can lend your support to fledgling chapters, or just for general gossip!

Our Website is also at your disposal for looking up all sorts of information. Feel free to forward any photos, articles or information that you would like to see added to either our website or Facebook page.

I'd like to thank Senators Wilf Mulder 67510 and Stephane Martin 67663, as well as many other family members and friends who donated to "Nothing but Nets" in honour of my recent and rather significant birthday. My goal was to raise \$400.00 - enough to purchase 40 bed nets for my 40 years. But - with everybody's help - we raised enough \$\$ to purchase 87 bed nets. Thanks again for everyone's enthusiastic support!

I'm looking forward to travelling to Victoria for the Crew meeting in May. Highlights will definitely include visiting with Senators I don't get to see very often, meeting new ones and touring around my old university stomping grounds! Hope to see you all there,

“Discover the Charm and Hospitality of Victoria - May 19-22, 2011”

Day One, Thursday May 19th, 2011

This is the start of our four day Meeting of the Crew - amazing opportunities to talk about the good old days and tell Jaycee stories.

Registration takes place in the Hotel Grand Pacific Lobby, 9:00 am – 9:00 pm. In charge is Dave Trace 27821. He should have been a Finance Minister. We have Dave to thank for his skillfully balanced budget, the delegates registration and his many contributions to the convention committee. The Victoria Meeting of the Crew offers a great balance of leisure time, networking and business.

The Hospitality Suite - Room #610 - will be open to welcome you from 1:00 PM – to 10:00 PM. Peter Krystalowich 5293 and his committee will be there to greet you and offer refreshments.

Anyone looking for a game of golf needs to get in touch with Gary Dixon 35608 at E-Mail: glbsdixon@yahoo.com.

Day Two, Friday May 20th, 2011

Our Commodore, Brian Small 6444 has organized an exciting day at sea aboard an active duty Canadian Navy Halifax class frigate. Departure time, by bus is 9:00 AM at the Quebec Street entrance to the Grand Pacific Hotel. Remember your identification; wear warm clothes and comfortable walking shoes. On board there will be guided tours and lunch is hosted by the Navy.

Please note your convention committee will submit the registration list for those attending the 'Day at Sea' to the Department of National Defence on May 13th, 2011.

You will return to the hotel at 3:30 PM. For the rest of the day, this is your time to take in the delights of our City. A walk about along our beautiful Harbour brings you to the 'world famous' Royal BC Museum, the IMAX theatre and the Empress Hotel where you can enjoy the ambience - maybe have a meal. Our most popular tour is Butchart Gardens. We have lots of suggestions and the hotel Concierge is available to line up tours and transportation. The hospitality suite will be open for refreshments.

Day Three, Saturday May 21st, 2011

The morning is set aside for JCI business. The day starts at 8:00 AM with muffins and other pastries, followed by a Memory Lane presentation by Senator Dan McLaren 46533 and then Rene Jacobs 22847 will chair the AGM.

The afternoon is "Free Time" – tours, shopping, walking, etc.

At 6:00 PM, our people mover Steven Shea 33321 has arranged for transportation from the Hotel. Putting his talents and charms to work, Eric Charman 4216 has arranged for an elegant "Meeting of the Crew" reception at Government House. Thanks to Eric – this will be an evening to remember. Dress is semi- formal. Return time to the hotel is 10:00 PM.

Day Four, Sunday May 22nd, 2011

Sunday morning is a JCI function. Buffet breakfast at 8:00 AM in the Grand Pacific Hotel. Following this, there will be remarks from dignitaries and the reading of the names of Senators who passed away in the last year. Concluding the morning is "Walking the Plank" – a Senate tradition of meeting and saying good-bye to all those in attendance.

JCI World Wide Bed Nets Donations Reach \$527,064 in 2010

With 61 countries participating, JCI members, Senators and friends have contributed a remarkable \$527,068.00(USD) to the campaign. The Americas with 15 countries participating donated \$35,150.00(USD) toward this total. Canada's donation of \$5810.00 in the 2010 year- end report has us ranked 3rd in the Americas. Our first donation in 2011 being forwarded this month will bump Canada's total to \$11,410.00(USD). While there is no competition I am pleased and honoured to say that the Canada JCI Senate has the largest donation of any group in the Americas at this point in the campaign. Thank you Bed Nets Senators and friends....we are making a difference in helping to prevent deaths by malaria among children by working with our JCI members, Senators and friends throughout the world. The JCI goal of 1,000,000 bed nets by 2015 will continue to need our support.

Senators are reminded of the donation/acknowledgement form posted on the Canada JCI Senate website (www.canadajcisenate.com). If you need to make an immediate donation of a Bed Net as a memorial or for any celebration feel free to print the form, attach the acknowledgement section to a card and send your cheque with the donation portion to me later.

Senators who wish to donate a Bed Net please forward your cheque to:

His son told me there is no service or anything else as per his wishes. He was my boss, my mentor and the highest example of a man I can think off. He always met you with a smile and always had a hand out to help those that needed it. His wife Frieda and their children will miss him greatly as will so many others. Personally I loved him like a father; he meant the world to me. I've seen nothing in the papers but I've been ill for a time and don't get out much at all, if you find the notice I would like to see it or get a copy. (Donald – Please pass on our condolences to Frieda and her family. We all wish you a speedy recovery and hope to see you at the Crew Meeting in Victoria – Barney).

JAYCEE CREED

We Believe:

That faith in God gives meaning and purpose to human life.

That the brotherhood of man transcends the sovereignty of nations.

That economic justice can best be won by free men through free enterprise.

That government should be of laws rather than of men.

That earth's great treasure lies in human personality.

And that service to humanity is the best work of life.
