

CANADA J C I SENATE
OFFICE OF THE PRESIDENT

March 2013

Volume 38 Issue 9

President's Message
Senator Blair Fraser 36339
blairf@shaw.ca

I have heard from and spoken to Mary-Gayle Goebel, National Administrator, JCI Canada along with Jason Ranchoux, JCI Canada President. JCI Canada National Board is trying to put together a listing of distinguished Canadian Jaycees. In that regard, could you please provide me, Jason or Mary-Gayle with the names of any former or current Jaycees that you may know who may have been elected to political office on the municipal, provincial or federal level, or who have gone on to be CEOs, COOs, CFOs in large corporations, or those who have gone on to make a significant contribution in other areas of importance, such as the environment, jurisprudence, human rights, children's rights, etc.

I want to take this opportunity to thank all Senators that when asked have stepped up to help Jaycee units or chapters, especially new ones. However, I want to remind Senators that our role is supportive only and we should not play any role in management or decision making. This must be left exclusively to the unit or chapters of age membership. If you get involved and are not happy with the direction or decisions made, you MUST walk away and say nothing. Honesty, there are many other equally worthy organization waiting for your energy if you find yourself in this situation.

I have recently spoken to Roy Spooner 25790 the Chair of the Prince George Crew Meeting. He reports that registrations are taking an uptick and he is confident of the schedule and events. I am so looking forward to going to Barkerville; this will be a highlight not just of the Crew Meeting but will last long afterwards as a bucket list moment. Presently the Saturday dinner will be out at the Cluculz Lake, where Senators Dan McLaren 46533 and Roy Spooner have property. I know everyone loves a BBQ and I am sure this will be fun.

Gloria and I are off to Hawaii on Mar 29 and we hope to catch up with a Senator or two when we are there, As an old and experienced Jaycee, finding a happy hour will be old hat!

Senators, you have been so very generous with our finances this year and for this I am truly grateful and proud. I know we all love Jaycees, our love and passion will last a life time, the flame just never seems to blow out, which is a good thing.

Please consider some involvement in Canada JCI Senate as I can surely attest that it will be more fun that you might imagine and you just may find a fountain of youth moment. Try it, you'll like it ☺

"We will remember them"

Vice President – Senator Eric HG Cowen 27853 – ericandioan@sympatico.ca

To all Senators and Maple Leafs, spring is coming I predict it, it is above 0c here, but out west I think it will be a while yet. I have not done too much with the Senate this past month as it has been quite slow, just a few phone calls and I have been trying to get new suppliers for our crest and our tie. I will make a report at the Crew Meeting. If any Senators know of manufacture of this kind of supplies please E-Mail me their name.

The committee for the Crew Meeting are getting all their ducks in a row, but they would like to see many more registrations come in; most of you know how hard it is to plan without accurate numbers, so please REGISTER as soon as possible and don't forget the hotel. All numbers are on the registration form in the Newsletter.

It looks like the committee, has set up the agenda with only the need to bring clothes to relax in, less to pack, I am for that.

If you want to order Senate shirts (white or blue) or golf shirts please get your order to me as soon as possible.

This month of March has had five weekends this year with a Friday, Saturday and Sunday, and you have been here to witness it, it don't happen for another 839 years.

HAPPY EASTER to everybody and may the BUNNY be good to you.

Past President 2011/2012 Senator Lloyd L Stockdale 20377 – lloyds20377@rogers.com

As mentioned in the last Newsletter I was on my way to the US JCI Senate Region VII Mini Convention in Pigeon Forge, Tennessee along with 5 other Canadians. As usual we were treated like Royalty and a great time was had by all. Should you want to attend a US JCI Senate function, this is a great one to put on your list. The Smokey Mountains are a great place to visit and the people are fantastic and very hospitable.

Also mentioned in the last Newsletter I said I would publish the candidates nominated for office and the upcoming bids for 2014 Crew Meeting. First off the candidates for office: We have one nomination for President, that being Eric Cowen 27853 from Ajax, ON is a Past President of the Ajax Jaycees.

We have one nomination for Vice-President, that being Teresa (Terry) Sinton 41756 from Sicamous, BC Is a Past President of the North Calgary Jaycees.

Both qualify under our Terms of Reference by residence and age.

As announced at the 2012 Crew Meeting, Ralph Machon 61679, President of the Durham Region Senate, intends to bring forth a bid for the 2014 Crew Meeting in Prince George this May.

Also announced at the 2012 Crew Meeting, Daniel MacLaren 41351, of (Brooklyn, NS) Liverpool, NS intends to bring forth a bid for the 2014 Crew meeting in Prince George this May.

I wish everyone good luck and congratulations on taking things to the next level.

SEE EVERYONE IN PRINCE GEORGE

JCI Canada 2013 National President Jason Ranchoux – jranchoux@gmail.com

On behalf of the members of JCI Canada, I have a couple of *Thank You's* for the members of the Canada JCI Senate. You all have been given the honour of Senator, Governor or Maple Leaf for your lifetime of service to the Jaycees and that commitment never ends. Our members need to see that leadership doesn't end when you reach the age of 40 or are given a Lifetime membership and my first thank you is to all of you for being examples of leadership that never ceases.

Recently, the Mississauga Senate group voted to dissolve and had a balance of funds left in their bank account. The Senate group selflessly donated the remaining funds to JCI Canada to help us start a new JCI chapter in that city when we get the opportunity to bring our great organization back to Mississauga. Thank you so much to the Senators of the Mississauga area for that leadership, it is greatly appreciated.

Lastly, and certainly not the least, is a huge THANK YOU to Senator Joe Hogan 29280 and all who contribute to the Canada Senate Bed Nets campaign. When every President comes into office, we always have a long laundry list of things that we believe can be accomplished in our One Year to Lead. Increasing JCI Canada's work to create positive change under the UN Millennium Development goals was one of my personal goals this year. Once we get into the position though, we quickly learn that we cannot do it all and sometimes we fall short of our goals by the end of the year. Because of the work that Senator Hogan does to lead this campaign and your donations, it lifts a weight off my shoulders that Canada is continuing to live the Service to Humanity tenet of the Creed through the work of the JCI Senate.

I look forward to meeting a lot of you very soon at either the BC/Yukon Reunion in Vancouver or the Crew Meeting in Prince George. Yours in JCI,

ASAC President Senator Ray MS Brathwaite 31476 – rmsbrath@yahoo.com

The Eleventh Annual General Meeting of ASAC will be held on May 03, 2013 during the JCI Conference of the Americas in St. Lois, Missouri, USA.

Still Taking Action to Save Lives....

Hopefully you can hear (or see it coming)...spring that is...not a mosquito! However, while the whole country seems to be in a "spring delay" it might be a great time to think about ***your day*** to make a Bed Nets donation. Donations come in many forms and while dollars change the total immediately, conversations make a huge contribution as well in the area of awareness. I am asking each of you in this "coming month of spring" to have a chat with some friends, family, the local JCI chapter, or any organization that you belong to...tell them about the Canada JCI Senate Bed Nets Campaign. Share your pride about how you and your Senator friends, Maple Leafs and others have generated 1846 bed nets by casually throwing \$10 into the pot. Awareness is very important, ideas and suggestions come from conversations so let's open the door this spring inviting others to become our partners in this program. I will welcome hearing about any ideas, suggestion (or donations) that come from the awareness chats across the country. Lots of information is available at <http://www.jcinothingbutnets.com/> or the Canada JCI Senate site www.canadajcisenate.com. Please join your many Senate and Maple Leaf friends in supporting JCI and the fight against malaria. Let's continue to keep children and families safe and healthy from this deadly disease. Please have a chat or send a donation on ***your day!***

Senators who wish to donate a Bed Net please forward your cheque payable to: Canada JCI Senate Bed Nets Campaign c/o Joe Hogan, Senator 29280 700 Grierson St. Oshawa ON L1G 5J5. Each Bed Net costs **\$10.00** Senators are reminded of the Bed Nets donation/acknowledgement form posted on the Canada JCI Senate website (www.canadajcisenate.com). If you need to make an immediate donation of a Bed Net as a memorial or for any celebration feel free to print the form, attach the acknowledgement section to a card and send your cheque with the donation portion to me later. Please feel free to email your Bed Nets request to me and I'll mail out the acknowledgement. Same day service is guaranteed!

The "**Canada JCI Senate Bed Net a Month Club**" is still open for members! Membership is open to everyone...feel free to join anytime! Send along an annual cheque (\$120.00)...it's that simple! What a wonderful way to celebrate your birthday, anniversary or any special event in your life or recognize an event in your family.

Proudly listed below are the "Bed Nets Senators" Maple Leafs and Senate Friends-donors since February "Thanks for Giving Everyone"....

"The Meeting of the Crew" - May 2013 - Prince George, BC

Northern BC's vast wilderness is larger than California or Japan, and twice the size of the United Kingdom.

It is a land of unlimited adventure filled with jagged mountain peaks, roaring rivers, serene lakes, green valleys, rugged coastlines and ancient island archipelagos.

The mountain ranges, which dominate the northern landscape, were shaped by volcanic fire. The rugged, heavily forested valleys between them were carved by glaciers, which at one time covered most of the province.

Much of Northern BC is preserved and protected by a world-class system of provincial parks and nature reserves. The stunning landscape features turquoise-coloured glacial lakes, alpine meadows, hot springs, volcanic cinder cones and a miniature Grand Canyon.

Visit pristine wilderness areas accessible only by horseback, charter plane or on foot; or head to idyllic lakeside campgrounds with every modern amenity. The region is known for its magnificent freshwater and saltwater fishing, paddling, hiking, skiing and snowmobiling. Parks provide habitats and sanctuary for wildlife as small as birds and as large as grizzly bears

Canada JCI Senate Past President – Senator Daniel G MacLaren 41351

With only a little more than two months until the Prince George Crew Meeting I am looking forward to seeing many of our old friends and especially getting reacquainted with the other Senator Dan McLaren who I have not seen in over 25 years. Dan and I were introduced at the World Congress in Montreal and spent a fun evening at the Vieux Munich eating and sharing a few beers together.

I am meeting Past President Bernie Gilbank 22233 in Halifax and we will be travelling together to Prince George. We are arriving in Prince George Thursday evening. The South Shore Senate in Nova Scotia is one of the groups bidding for the 2014 Crew Meeting to be held in Liverpool NS. It appears that there are several amendments being proposed to the current terms of reference and regardless of the outcome I hope that we will all remain united in Senate fellowship.

Barbara and I are expecting our second grandchild in August and are very excited about that. Hope to see you all in Prince George.

President Mid Canada Senate Report – Brian Davis 69260 – allseasons@shaw.ca

I write this article as I begin the process of booking our flight and making our travel arrangements for the Crew meeting in Prince George. I am happy to report that the Mid Canada Senate will be represented by Bill and Carol Enefer, my wife Monica and me.

The Crew meeting is one of the few times most Senate groups across Canada represented together in the same place at the same time. I think it is important that we take some time to discuss issues of importance to the Canada JCI Senate.

The future health of the Senate is predicated on a vibrant and growing JCI Canada to continue to provide us new members. JCI Canada's membership has declined over the last few decades, accordingly, so too have the number of new Senators created on a year over year basis. It is therefore more important than ever we make sure new Senators become active and involved in the Senate. Successfully integrating younger Senators into the existing Senate program will likely involve change so that the overall event programs appeal to members of all generations represented in the Senate.

In Mid Canada we have been discussing how we can bridge the generation gap not only as a way of ensuring the participation of young Senators but also to make regular JCI events fun and interesting for Senators to attend.

In closing I bring greetings and best wishes on behalf of all members of the Mid Canada Senate and we look forward to seeing as many of you as possible in Prince George.

JCI Durham Senate President Ralph Machon 61679 – rmachon@btsinc.ca

Greetings from the JCI Durham Senate! As you may know, the JCI Durham Senate is extremely excited to be bidding for the 2014 Crew Meeting. I understand that this will be the first Crew Meeting in Durham for over 20 years!! At the last JCI Durham Senate meeting the motion to bid for the 2014 Crew Meeting was adopted unanimously by **everyone** who voted – great support. With a number of committee members already in place, the hotel and venues all booked, we're off to a roaring start!!

It is the intention of the group to run the 2014 Crew Meeting concurrently with the JCI Canada National Convention. To clarify, both events will be organized by their respective organizations to be held in the same hotel at the same time. All events will be separate, with the exception of those that **both** organizations feel would be beneficial to put together. An example may be a keynote luncheon. The Senate hospitality suite will be for Senators only, however the Senate would be more than welcome to visit the JCI hospitality suites if they wish. Due to efficiencies gained, we anticipate the cost for the 2014 Crew Meeting and accommodation at the Hilton will be the same, or lower, than past years.

We have had feedback from all areas of Canada, and it appears that Senators are willing to at least try this once – 2014 will be that year!! The local JCI Durham Chapter has worked hard to get the 2014 JCI National Convention with the aim of running it concurrently with the Senate.

Imagine mingling with current JCI members, really finding out what they're doing, re-kindling the Jaycee flame. JCI Canada needs you, your support and encouragement – this is a way to make that happen. As Senators we often talk

about the way things were, how the Senate is willing to help – we just need to be asked. Well now JCI Canada and all their members are asking – are we ready to answer that call?

SALMON, Alan D 12323 – 1231 - 4 – 2880 Queen St, East, Brampton, ON L6S 6H4 (C647-228-4748) (E-Mail: alan@k2e.ca) (Nancy) - Thought I would update you on my situation. I have been moved to the Trillium Rehab hospital at Sherway Gardens in Toronto and am making good progress. I now can pull myself up standing from my wheel chair with the aid of a pole. On the parallel bars I have taken a couple of baby steps. Progress is slow but sure.

I will be going home on April 26th. Get a pass next week to go out for dinner with two of my partners. Got my first weekend pass to go home for Easter which will be great.

In the meantime I continue to work with my trusty laptop and cell phone. In fact, I will be launching a major new Internet project in June.

Thanks for all the kind notes. They are very much appreciated. It was particularly special to get a card from David Young 14830 who I have not seen since Central Region in the mid-70s.

VOIKIN, Nick 3171 – Unit 5 – 1225 – 1 St, Castlegar, BC V1N 1A1 (R250-365-6170) (E-Mail: nvoikin@shaw.ca) – Enclosed is my contribution to the Senate and a card showing my correct address. It is the same as shown in the 2010 Canada JCI Senate Directory which can be transferred to the new Senate Directory. The years keep passing by and this coming June will be 20 years since I moved here. My service to humanity is donating my time as Secretary Treasurer of our Strata Corporation. Hello and best wishes to all JCI Senators especially those who may still remember me.

BUTLER, E Larry 23841 – Unit E – 1215 West 7 Ave, Vancouver, BC V6H 1B7 (R04-714-1123) (C604-351-6511) (E-Mail: larry@tranceformationcentres.com) (Toni) – Please find attached my information for the Senate Directory. I've been pretty much AWOL for years. It's interesting that today I was helping with a mail out for our church and remembered all the times we were doing mail outs back in the 60's and wondered how this was making us leaders. I was explaining this to the woman I was stuffing envelopes with and mentioning that everything I've done since then has called on what I learned 45 years ago in Jaycees. I've also made an extremely long overdue contribution through PayPal today. (Larry – I also can still remember doing mail outs for the Jaycees away back in the 60's and 70's till I went overage but it never stopped since I accepted the appointment of Secretary Treasurer for the Canada JCI Senate in 1974 and I am still doing it to this day. But Molly has been saying years that is what has kept me alive and not bothering her – Barney).

GORDON, Rosemary E ML 148 – 6 – 15 Hunter Court, Dundas, ON L9H 1E2 (R289-238-9831) – I am sorry to be so long in making my contribution. Love the Newsletter and look forward to reading it all.

BARNETT, William M 39842 – 4209 Glenhaven Cr, North Vancouver, BC V7G 1B8 (R604-929-5621) (E-Mail: billadele@shaw.ca) (Adele) – I really enjoy the Newsletter and keep the good work. It is great to keep up with people I knew in my past.

RODE, David A 31142 – 173 – 3033 Townline Road, Stevensville, ON L0S 1S1 (R905-382-6653) (E-Mail: rode@sympatico.ca) (Sherron) – Please allocate necessary amount for the next Senate Directory and balance for contribution, Sorry for the long delay and I'll try to catch up. It's not a problem I'd like the Newsletter to be mailed to me. That way I'll read them all. By the way, I've moved to Stevensville, Ontario which is a part of Fort Erie. (David – Your wish is our command and we hope the move is completed and your living the easy life now – Blair).

THOMPSON, Ralph W 10053 – 2520 Glenayr Dr, Nanaimo, BC V9S 3S1 (R250-758-7988) (e-Mail: artee@shaw.ca) (Ann) – Enclosed is my contribution for the Senate and also one for the Bed Net campaign. Please forward to Senator Joe Hogan. I enjoy reading the Newsletter and reports from Senators attending various functions in Canada and the US. Ann is still recovering from stroke otherwise I would be interested in going to Prince George which is where I joined Jaycees in the 50's. Thanks to Bernie Mackenzie who was a long time member there and co-worker. I still have lots of good memories of the meeting put on by Victoria Senate. (Ralph – Barney has sent a cheque to Senator Joe Hogan – Blair)

DEACON, John E 25373 – 326 Waverley St, Winnipeg, MB R3M 3L3 (R204488-0497) (E-mail:j.deacon@shaw.ca) (Elizabeth) – Thanks for the reminder and I am looking forward to another summer of golf with Bill Enefer 8136 Gordon Kraushar 5860 and Glynn Davies 7212.

KRYSTALOWICH, Peter 5293 – 4109 Cabot Place, Victoria, BC V8N 4V9 (R250-477-1264) (E-Mail: pkristie@shaw.ca) (Doreen) – Here is a small financial contribution to the Canada JCI Senate.

PHILLIPS, David G 12845 – 7 Hampstead Heath, Kingston, ON K7M 3J1 (R613-549-7363) (E-Mail: phillpsdandd@cogeco.ca) – I find it easier to pay a monthly amount so have enclosed cheques for 2013.

FLAGG, Darren W 57999 – 600 Rose Hill Road, Fort Erie, ON L2A 5M4 (R905-991-0991) (E-mail: Darren@vaxxine.com) (Janine) - Contribution enclosed to help continue the great work of the Senate. I am always surprised how quickly I find the time to read through the Newsletter when it arrives while putting off other things. The local Fort Erie Chapter and many will remember the golf course has fallen on difficult times and appear that they will not be able to recover. They mirror the local economy and lack of opportunity for the youth of our area. The outstanding efforts of the countless members from the past will however continue to be felt through the bursaries, the sporting venues and many other charitable acts that continue because of their involvement. Wonderful memories and stories abound and keep the spirit of the organization alive. Thanks for your efforts to keep us in touch.

PODETZ, Leo 4085 – 3029 Eva Dr, Burlington, ON L7N 2K3 (R905-639-2634) (E-Mail: lpodetz@cogeco.ca) (Jean) – It's always good to hear about old times, but sadly our numbers are dwindling. Keep up the good work - a labor of love.

The Executive would also like to thank the following Senators for their financial contribution: -
