

CANADA J C I SENATE

OFFICE OF THE PRESIDENT

October 2015

Volume 41 Issue 5

**President's Message
Senator Barry D Evans 42155
Barry.e@xplornet.com**

Fall is around the corner, all the leaves are turning and I think the whole country has gone red. Thanks to all the recent contributions. Please check your records and if you have not sent in your contribution please consider this important gesture.

I attended the Gourmet supper in Toronto on Friday. I have heard about this event for many years so it's a treat to attend my first. It will be well attended and will be great to see everyone there.

Matthew Hutcheon 60917 is the new Chairperson for the future directions committee. Matt has put lots of work into planning and organizing this task that is so important to help the Senate grow. He will be asking for help and will need lots of suggestions. Please welcome him and get hold of him if you have any ideas.

I am meeting with the 2016 Crew Meeting committee. They have got the complete registration finished and the hotel information organized so they will be sending out this information this week.

Next month we will start hearing lots about the World Congress in Quebec in 2016. I hope everyone will consider attending this world event. It is a great time to meet people from around the world. I know I am looking forward to this event.

Canada Post has changed my Postal Code from 2289 Burnside Line, Orillia, ON L3V 6H4 to 2289 Burnside Line, Severn, ON L3V 0W1.

Vice President – Senator Daniel B Toews 43467 – danielbtoews@shaw.ca

Life is now moved back to a normal routine here in Winnipeg. Since the JCI Canada National Convention in Calgary I have been back to Saskatchewan twice; once, for 2 weeks of harvest on the family farm and second, for the death of my mother.

I enjoyed attending the JCI Canada convention and meeting many of the 30 senators who attended. It was motivating to see the energy and commitment of both Jaycees and Senators.

Thank you to the 28 Senators who attended the Executive meeting on the Saturday morning. We had a great open discussion on how we can collectively make our organization more viable, meaningful, and purposeful. Thank you to Senator Matt Hutcheon for chairing the “New Directions Committee” going forward. Thank you to our Past President, Senator Terry Sinton, for the pioneering work she has already done during her presidential year. I look forward to seeing the results of their survey and their recommendations.

We have a great opportunity to enhance the Canadian JCI Senate. We can all play a part in that journey.

Past President 2015 Senator Theresa R Sinton 41756 – terrysinton@cablelan.net

Greetings - Hope you are all having a great fall in this great Canada of ours! True to form the Shuswap has offered up scenic beauty with warm sunny days. Judging by the animals in my bit of forest we should be getting a fairly mild winter with not too much snow. Hope that forecast proves true. Have to admit that although it is fun roaring around on my tractor blowing snow and striking fear in the hearts of my neighbors, there are many other things I would rather do.

As usual my Senate activities have been pretty quiet but I am looking forward to the next steps with New Directions under the new Chairperson Matthew Hutcheon and hoping for a new and exciting approach.

As Immediate Past President I am charged with the duty of looking for candidates for President and Vice President. I would be interested in hearing from anyone who might be interested in being on the 2016/2017 Board. If you are interested, please send me an E-Mail or regular letter advising me of the position that you would be running for on the Board.

As stated in the Canada JCI Senate – Terms of Reference, Policy 5 Sections 5 -1 to 5 – 5 - 13 next year’s candidate for President will be from West of the Manitoba/Ontario border. And the Vice President must be from East of the Manitoba/Ontario border, so talk to your Senate friends who feel free to submit a name of someone you think might be up for the job.

As 2015 nears year end don’t forget to make a financial contribution if you are able. We count on your support.

Canada JCI Senate Ambassador to US JCI Senate – Senator Rene Jacob 22847 – sen.ren22847@shaw.ca

I had been to parts of New England before, but never to Connecticut. The US JCI Senate Fall Board gave me that opportunity. The tours included a visit to the Big E Fair, the 5th largest fair in the US. Instead of covering only one state, this one, based in a permanent location in Massachusetts, covers Rhode Island, Maine, Vermont, New Hampshire, Massachusetts and Connecticut. The day we spent there included a visit to the Ben & Jerry’s Ice Cream stand...that alone was worth the trip. Those of us who do not drink alcohol were appreciative of the fact that Region I included us in their planning and did not restrict the tours to wineries. Other Canadians in attendance were President Barry Evans 42155, Past President Lloyd Stockdale 20377 and Past Vice President Linda Blanchard 44776.

While there, I accepted the contact information of out-of-country Senators who want to be sent World Congress 2016 information and managed to easily surpass 100 names.

The next event is the US Winter Board meeting in Savannah, Georgia January 8-10, 2016. The southern belles have promised us a good time. Contact me if you want more information.

New Directions Committee – Chairperson Senator Matthew Hutcheon 60917 – matt.hutchoen@gmail.com

Fellow Senators: I have been asked by Senate President Barry Evans to assume the Chairmanship of the Canada JCI Senate New Directions Committee. I want to thank the current Committee members, particularly Terry Sinton 41756 as previous Chair, for their work to date on this Committee.

As you may recall, members of the Committee previously examined three distinct components of the Senate and its operations - absentee voting, financial review and engaging the membership. Recommendations related to each of those three aspects were created in April/May of this year, and reported to the Crew Meeting in May, where the report was received and referred to the Executive for further action.

I plan to have the Committee build on those aspects already examined, and prepare a full set of recommendations regarding these, and other, aspects of the Senate for future growth in engagement and financial strength.

The approach will consist of two main research components - a thorough survey of the membership regarding the role of the Senate and ways in which the Senate could add value and earn engagement and financial support; and, an examination of best practices from other Senate organizations around the globe. The survey will likely be distributed electronically to Senators who receive the newsletter electronically, and on paper to those Senators who receive a printed newsletter.

The results of all of the Committee's research and consideration will culminate in a set of recommendations for consideration and voting at the 2016 Crew Meeting, to be held in May 2016.

If you are interested in being involved with this work, beyond simply providing your input by responding to the survey, please contact me – we welcome new members to the Committee. You may reach me by email at matt.hutcheon@gmail.com, or by phone at 778-349-3967, and I thank you in advance for your participation in the survey when it is issued.

Canada JCI Senate Bed Nets Campaign... Finishes with...2577 October 21, 2015 Senator Joe Hogan 29280 - joe.hogan@rogers.com/905-728-2558

We Made It.....! Proudly to the finish line of the Canada JCI Senate Bed Nets Campaign.

An idea that was moved forward in February 2009 by then President Paul Winger 23735, endorsed by the Durham Region JCI Senate and approved by the Canada JCI Senate was strongly supported by Senators, Maple Leafs and Friends throughout the JCI world. We saw our campaign grow steadily over the past 5 years with donations rising each month, recognition of donors through the Newsletter and on our website and a tremendous feeling of togetherness develop among Senators united in a common cause under the often recited Jaycee Creed. It is time to say **THANK YOU** to all of our supporters in JCI for your kind notes (along with your cheques!), to remind ourselves of how important we are to one another in this world and to invite you to continue the road we travel in providing service to humanity. The bed nets campaign from our efforts helped provide **2,577** children and families with protection from the spread of malaria. Remind yourself of how important it was to protect those children and keep those families safe from malaria in the days ahead.

Finally, to recall the early examples I often used of 45 passenger school buses holding our recipients of bed nets....one last time.... we collectively filled over 57 busses. Well done everyone!

It was real pleasure and an honor to serve as the chair of this project for the Canada JCI Senate, to be able to think of how I could ask you differently for \$10 in each Newsletter approximately 70 times over the past years was probably the greatest challenge, to never knowingly miss recognizing your donation in the newsletter and sending a plethora of donation acknowledgements for all of life's milestones was just part of the fun! The suggestions, ideas and kind notes brought it all together in what is a very proud accomplishment of the Canada JCI Senate. Your kindness and generosity, your belief in living the Jaycee Creed and your continued support made my job pretty easy.

Thank You once again Senators, Maple Leafs and Friends.

Proudly listed below are the Bed Nets Senators, Maple Leafs and Senate Friends-donors since September. "Thanks for Giving Everyone"...

Memorial Donations - Edna Tatchell ML 101 - Joan and Eric Cowen 27853 - Molly and Barney C Ziola 14018
Celebration Donation - Donna Pyott and Andy Lyons 23119

2,577 Bed Nets Later...we say goodbye to a great cause

Greater Toronto & District JCI Senate President Senator Richard H Walker 12553 – rickwalker6@me.com

On October 23, 2015, Russ Cooper 4638, former President of the Toronto Jaycees and current US JCI Senate Ambassador to Europe hosted his 17th Annual Gourmet Dinner at George Brown College. He was aided in no small part by Sheryl Rogers former President of the Toronto Jaycees who organized every detail to the ninth degree.

Among Russ's guests was the current US JCI Senate Ambassador to Canada Phyllis Bowers 51430. Russ led us in the Creed, followed by toasts to the Queen by Barry Evans, President Canada JI Senate and to the President of the United States Doug Valentine former Counsel General to the US and grace by Sheryl Rogers.

Lively discussion ensued as we caught up on families and friends, aided by the liberal (small 'L') flow of libation. There was a social evening fit for swapping lies and jokes, reframing old times and inventing new ones. Comparison was made between the 11 week changes of government in Canada verses the life long campaign south of the border. But are we not lucky in our two countries that these changes take place without a shot being fired? The food, professionally prepared, served and presented by students in the culinary arts program at the college, was fit for a king, with no need for the 'taster' of old.

With Russ doing most of the talking and Sheryl doing all of the organizing, I had nothing to do but sit back and enjoy myself.

Please join us at our AGM, noon, December 9, at Bumpkins, 21 Gloucester Street, Toronto.

Outstanding Service to the Bookkeeping Profession in Canada Award

On Saturday night at the Institute of Professional Bookkeepers of Canada annual conference in Niagara Falls JCI Canada Past President 1974/1975 and Senator Alan D Salmon 12323 was awarded the Canadian Luca award.

The Luca is given to an individual who has demonstrated "Outstanding Service to the Bookkeeping Profession in Canada." The award is a bronze statuette of Luca Pacioli, the Cistercian monk who is credited with inventing the process of double entry bookkeeping that endures today. Luca *Pacioli's* 1494 book, *Summa de Arithmetica, Geometria, and Proportioni ET Proportionalità* contains the first written record of the process and warns of the need for good record keeping.

Alan Salmon has been invited to travel to London, England in December to attend the global award ceremony, where the award will be represented by his Royal Highness Prince Michael of Kent, the grandson of King George V and the cousin of Queen Elizabeth II.

100 Years of Impact

Roy Crawford JCI Senator 28447 found a very interesting video clip on YouTube. This clip will remind you all of the great organization that was started by those that wanted to improve themselves and their communities. Please take the time to watch this clip at <http://youtu.be/zOQflabi7oM> . It is 100 Years of Impact.

Many of you will recall our organization started out as a dance club in 1910 and then on October 13, 1915, at the Mission Inn, 32 young men formed the Young Men's Progressive Association. (YMPA)

During the early years of the YMPA, they gained support from the President of the St. Louis Chamber of Commerce, Clarence W. Howard. In 1916 at Howard's request, the YMPA changed its name to the Junior Citizens. In 1918 these Junior Citizens (JC's) affiliated with the St. Louis Chamber of Commerce and officially became the Junior Chamber of Commerce. In January of 1920 there was an organizing caucus called organizations around the country. They gathered in St. Louis, Missouri at which time the United States Jaycees was formally organized. There we 31 communities represented at this caucus. Ohio was represented by five communities which included Canton, Elyria, Cincinnati, Dayton, and Cleveland. Alfred S. Andrews of Canton and Lawrence Weber of Elyria were elected to the first Board of Directors. You can read more of the history of the United States Jaycees at <http://usjayceefoundation.org/>

CHADWICK, Karen – PO Box 93, Wheatley, ON N0P 2P0 (R519-825-4330) (Kenneth R 17176) - Enclosed is a contribution from Kenneth Chadwick. However I am writing to ask you to remove his name from the mailing list as he now has a form of dementia. Ken enjoyed his years in Jaycees and was proud of the accomplishments of the Wheatley club. You may remember the Clubs Flag Pole sitter event to attract new business to town. The sitter was Neil Bailey who happened to be blind and a fellow Jaycees. This event made news across Canada and did bring a new business to our town.

NOTICE – NOTICE – NOTICE

There are still 24 copies of the 2013 Canada JCI Senate Directory on hand and if anyone who has not yet ordered a copy of the Directory, they may do so by making a contribution of \$50.00 or more and will automatically receive a copy or by sending in \$15.00 to **Senator Barney C Ziola 14018, 8500 Bairdmore Crescent, Richmond, BC V7C 1M7** and he will mail a copy out to you. JCI Canada Executive, Board of Directors and Chapter Presidents may also order a copy. Please make your cheque payable to **"Canada JCI Senate"**.

MORROW, W Rick 22389 – 114 Falconer Court, Edmonton, AB T6R 2V8 (R780-436-2377) (C780-222-2167) (E-Mail: rmorro@shaw.ca) (Ruth) – I was surprised by the low numbers of Senators who contribute to the Newsletter. What is the total pool of Senators "eligible" to contribution? Thank you for your enduring efforts! (Rick – There are 1060 Senators on our Main/Active list, plus others who are Maple Leafs and miscellaneous who make contributions – Barney)

ROBART-MORGAN, David J 27291 – RR # 1, Rugari Ridge, 5868 First Line, Orton, ON L0N 1N0 (R519-855-4136) (E-Mail: drobartmorgan@hotmail.com) (Janet) - It is with a heavy heart that I am advising you all, that a very dear and caring friend of ours has gone to join his wife of 56 years, Doreen, in the Happy Hunting Grounds. When I attended Doreen's funeral in the spring, the sadness on Peter Dorman's face and in his eyes told me that he would not be long in following her. They had travelled the globe together and he could not face the world without her. He on Saturday, September 26 at 11:00 am after calling the ambulance himself the evening before. He is at Peace. He was 85 years old and had always enjoyed life and especially his time with the Jaycees. We often talked about the old times and the entire goings on. Always interested in what is going on in the Senate World. Thanks for re-iterating the "Phil Pugsley Story. What an inspiration! Good luck to all my aging friends. (David – Our condolences goes out to the Dorman family – Barry).

FAST, Albert H 310 – Perley & Rideau Veteran's Health center, PRVHC/R2N/202.750 Russell Road, Ottawa, ON K1G 5Z6 (R613-526-7170) (Carmel) – I have enclosed my contribution to alleviate the deficit.

TRACE, David W 27821 – 2178 Wenman Dr, Victoria, BC V8N 2S2 (R250-472-2069) (C250-721-4201) (E-Mail: davidwtrace@gmail.com) (Lynne ML 203) - Enclosed is my contribution toward the good works.

It looks to me like our Members should try a wee bit harder to contribute to the newsletter – both in cash and submissions – and in so doing, help keep Barney off the streets and from causing trouble to others.

Lynne and I did a "remembrance drive" this summer, back to the places we had lived and were in Jaycees when we were oh so much younger. From Victoria to Prince Rupert by car, stopping in Williams Lake (Charter President 1971), Prince George and other scenic spots along the highway. Then the Alaska State Ferry from Prince Rupert to Haines Alaska, with a 24 hour stop in Petersburg. Then we drove on absolutely lovely highways to Haines Junction. We spent 3 days in Whitehorse (where I joined Jaycees in 1968 or 69 and again in 1973-74), and down the Alaska Highway. When last we drove it in 1974 it was gravel; now it is paved and although only 2 lanes, very wide clearings so you can see the bears, moose and bison before they get to the road. I was told that when they put in the new road the distance between Whitehorse and Watson Lake shrunk by 50 miles.

The road no longer goes around trees! Going south our lane was empty; the northbound lane was plugged with every RV, of every type, from everywhere in Canada and the USA. "North to Alaska" is still the dream of a lot of people. We went into Hudson Hope along the valley that will be flooded for the Site C Dam. It sure is a pretty valley. Someday all too soon I guess that will be "sure was a pretty valley". In Fort Nelson we learned that 2,000 of the 5,000 residents had left because of low natural gas prices. I can only imagine what is going on in Alberta with low oil prices. We do live in changing times. Spent a night in Chetwyn, where I went to my first Jaycee Regional Convention in 1970. Didn't recognize it at all and couldn't find the hotel we used back then. The trip was a good one down memory lane.

Lynne and I remain in pretty good shape and like to travel. In November we take the Zandamn from Buenos Aires to Santiago. If anybody wants me to have a drink for them in the Crowsnest – consider it done! Best wishes to you all.

MOSEY, Thomas W 8167 – PO Box 129, 46506 Abbot Ave, Comber, ON N0P 1J0 (R519-687-2326) (Joan) = Please find enclosed my contribution and my address has changed. It is now as shown above. I already have a copy of the 2013 Canada JCI Senate Directory.

VIOLETTE, Jean ML 021 – 1994 Kelland Road, Black Creek, BC V9J 1G4 (R778-428-2277) (C250-650-1421) (E-Mail: mikeviolette@shw.ca) (Michael 20589) – We are enjoying our retirement in Black Creek, BC. It was 40 years this July 30th since Mike was made a Senator. We made many wonderful friends, helped the communities we lived in and learned a lot. It is good to hear what is happening to our friends and organization.

INGLIS, Thomas H 2413 – 1107 – 1320 Islington Ave, Etobicoke, ON M9A 5C6 (R416-231-6042) (Lena) – (E-Mail: thomashinglis@rogers.com) (Lena) - I noted in the Toronto Star that Kathleen (Cathy) Clough Senator 34763 had passed away after a long battle with cancer, she was one of the first female Senators from the TJBT and was greatly involved in the College Bowl when that event was organized by TJBT along the lines of the Grey Cup.

Do we publish our annual Financial Statement in the Newsletter? (Thomas – No we do not, but if any member wishes to receive a copy, all he/she has to do is send us an E-Mail or request a copy by regular mail and we will do so – Barney).

BRYAN, Lawrence P 22232 – 55 Beech Ave, Toronto, ON M3E 3H3 (R416-698-014) (C416-347-1144) (E-Mail: lbryan@symapico.ca) – It's been a while since I made a contribution to the Canada JCI Senate, although I have always read with great interest every Newsletter that arrived in my Inbox (or previously my mailbox). To see that some of my Jaycee friends from the 1970's who are still active like Lloyd Stockdale 20377 is heartening. To see that some are no longer with us is disquieting, until I remember how much they gave while they were Senators!). I hope all readers will make an effort to contribute to the Senate to ensure that the valuable inks to all of us remain in place. (Lawrence – The Executive all support your comments to help keep the organization in good shape – Barney).

HARGREAVES, Albert T 5100 -154 Eastview Ave, Woodstock, ON N4T 1W1 (R519-537-2076) (C519-535-2076) (E-Mail: a.hargreaves@rogers.com) – I hope this helps and I had a mild stroke, but still busy.

LYONS, J Andrew 23119 – 76 Jones Ave, Oshawa, ON L1G 2Z9 (R905-725-8110) (E-Mail: lyons.pyott@sympatico.ca) (Donna) – Once again as I read the Senate Newsletter, I am both happy and sad. Barney does such a great job of passing on the information on all Senators, Maple Leafs and families that it brings many fond memories of Jaycee involvement to mind as we read. Senator Bill Edwards 4257 had just passed away when I received the Newsletter. I remember my first days in the Oshawa Jaycees with Bill who was then a Senator (1961) and who quickly got me involved. He later encouraged me to form a senate group, The Durham Senate to keep all the area Senators in contact. Bill's family grew up in Whitby where he took his Jaycee training and became involved in the community, school, sports and organizing the co-op housing community where his home was located. We will miss him and our sympathies go out to Joan and family.

Also sadden to hear about the health problems of Pete 7876 and Dorothy Kennedy. Pete was the one who got me involved with the Senate and I can only thank him for his support which encouraged me to become Senate President, enriching my life with friends from all over the world.

The Jaycees helped build many friendships and the Senate has helped keep us in contact and together. Thanks again to Barney and Molly for your efforts in keeping us informed.

CLARK, Robert W 6072 – 1587 St. Lawrence Ave, Kingston, ON K7L 4V1 (R613-546-0022) (E-mail: clarks@kingston.net)
– Accolades are dearly due to Barney C Ziola for his steadfast effort. The Newsletter makes all lives and memories really meaningful.

MCAULIFFE, John 26656 – 24 Hessian Dr, Ridgefield, CT 06877 (R203-438-3340) (c203-733-0580) (E-Mail: mcauliffejohn@hotmail.com) – I regret that I was not able to seize the opportunity to share fellowship with so many Canadian Senators/Friends in Winnipeg as well as those of you who attended the US JCI Senate Annual Meeting in Rochester and Fall Board and region I annual Fall Frolic in Hartford this month. This is the first year in many years where I have not eagerly and joyfully taken me to Eastern and/or Western Canada for your Annual/Crew and Special Events Meetings. I look forward to health/back improvement and putting prospective Heart Surgery into the past. My current care giving for Pet/Companion includes multiple daily tasks which for all animal lovers is a labor of love. Enclosed is my financial contribution of my choice.

FRANCHELL, E Raymond 3173 – 57 Faragut Ave, Tonawanda, NY 14150 (R716-694-4176) – My age is slowing me down – 89 is just around the corner.

JAYCEE CREED

We Believe:

That faith in God gives meaning and purpose to human life.

That the Brotherhood of man transcends the sovereignty of Nations.

That economic justice can best be won by free men through free enterprise.

That government should be of laws rather than of men.

That earth's great treasure lies in human personality.

And that service to humanity is the best work of life.
