OFFICE OF THE PRESIDENT

**November/December 2014**

**Volume 40 Issue 6**

**President's Message**

Fellow Senators

You know how they say bad luck comes in 3's? While I have found that to be true in my case it comes in 3 – 3's. The last 3 months have been a bit of trial with some health issues, not serious, but very annoying and physically limiting. The latest string of bad luck was my truck, fridge, and computer all going on the fritz in the space of 4 days. The worst was the computer as the hard drive was toast and when I got the machine back from the repair guy I had 5000 files and 2500 emails in two big piles. He was unable to bring them over in the folders they had been saved in. I am about half way through sorting them out and have been at it full time for 2 weeks. If trials make you stronger I should be a shoo-in in for the iron man competition next year! Sorry I don't usually have whine for breakfast but they say venting is good for your blood pressure!

December in Sicamous is a bit cold but hardly any snow, so no complaints there and with any luck our snow will be gone by the end of February.

Now for some good news! I love this organization because when needed Senators always step up. The Winnipeg and Penticton JCI Senators have done just that and both have submitted a bid for the 2015 Crew Meeting. Thank you so much to both. The Executive has reviewed both bids and they are pretty close to being equal so the decision was not an easy one. I am pleased to announce that the 2015 Crew meeting will be hosted by the Winnipeg JCI Senators lead by Ken W Cade 6866. Congratulations! Like the commercial says "Goin' to Winnipeg"!

Many thanks to Senators Paul T Cowan 17694 and Dale J Foran 25512 for putting together a great bid for Penticton! The vote was tied and the tie breaker was to accept the bid that was received first. Thanks again for your commitment and support of the Senate!

Due to health issues, I have been slow getting the New Dimensions Committee up and running but it is coming together. So far the committee consists of Alan Salmon 12323, David Robart-Morgan 27291, Secretary Treasurer Barney Ziola 14018 and myself. I have asked outgoing JCI President Jen Sencar 73093 to recommend 2 Senators that are either recently aged out or about to age out to provide the committee with a fresh perspective. It is my intent if the committee agrees that to get us started, David and Alan will look at proxy voting, Barney and I will look at financial stabilization, and the two yet to be announced senators will look at engaging younger senators and identifying the dynamics of the relationship between JCI and the Senate. I will keep you all informed via the newsletter as things develop.

If you have a Senate directory and have not glanced at it recently you may want to have a look through. I had not done that to the most recent copy till the last couple of weeks and discovered a Senator whom I have not met lives right here in my area. I can't wait to meet him.

Secretary Treasurer Barney C Ziola has advised me that we have only reached approximately 59% of the 2014/2015 budget which was approved at the AGM in Ajax. We only have four months left to meet our budget. Therefore I am encouraging all members who have not made a contribution in more than one year to do so. All contributions will be greatly appreciated.

As we head into the holiday season I wish everybody a Merry Christmas and a Happy/Healthy New Year, take good care and stay safe. My best wishes to you and your family for Happy Holidays and the next year filled with love laughter and good health.

We had a great time in Germany at World Congress. The Quebec JC's ran a very professional Canada night and the whole event was well done. Congratulations to your whole committee and bid team. Thank you for including us in your promotion. We have a busy time to get everything ready for our 2015 Crew meeting. There has been lots of interest and we will promote it well to our friends in Canada and USA.

**Past President 2014/2015 Senator Eric HG Cowen – [ericandjoan@sympatico.ca](mailto:ericandjoan@sympatico.ca)**

Greetings to all my fellow Senators and Maple Leafs

I have not been doing much for the Senate since the last Newsletter. I have received a few letters from, Senators that attended Our AGM in Ajax and said they had a great time and also sent me a few pictures at various events.

Your Executive wants to thank all who attended and hope to see you in the spring of 2015 at the next Senate AGM.

I am busy packing for the JCI World Congress to help the Quebec City Jaycee's bid to host the World Congress in Quebec City in 2016. I hope all Canadian Senators plan to attend. This is my first World Congress and very excited to attend. Joan and I are taking the Viking River cruise the week before from Budapest to Nuremburg and this just adds to the excitement of our holiday.

I have had a few contributions sent to me for the Canada JCI Senate and I want to thank you. I passed them along to Barney. In the future you can send them to President Terry Sinton or Senator Barney Ziola and all are greatly appreciated.

With Thanksgiving now over and a number of family gathering gone by, it is time to rake up all those beautiful leaves that were in full colour a couple of weeks ago, and now the Christmas/New Year season is upon us. Many of the local Jaycee units will be setting up for their Santa Clause Parades and usually need extra help so give your local JC unit a call and offer your services.

Remembrance Day, November 11 has now past and all Canadians want to thank all our Armed Forces for keeping Canada Safe in a country where PEACE is paramount to us all.

This is our last Newsletter of the year, so Joan and I want to Wish All Senators, Maple Leafs and your families a very

#### **Canada JCI Senate Ambassador to US JCI Senate – Senator Rene Jacob 22847 – [sen.ren22847@shaw.ca](mailto:sen.ren22847@shaw.ca)**

If anyone is planning to attend the US JCI Senate Winter Board meeting in Tempe, Arizona in January - please be advised that there is a \$25.00 per day surcharge if you are not in the hosting hotel's block of rooms. This is standard practice at the US conventions. In return, the hotels allow our hosts to run a complementary bar in the hospitality suite. Book your room as soon as possible. Business casual is the recommended attire for the banquet... and JCI Senate shirts are the normal wear for other functions. The price of registration includes meals plus there is always food in the hospitality suite. If you need more information, please contact me at "[sen.ren22847@shaw.ca](mailto:sen.ren22847@shaw.ca)". See the schedule of events for registration contact information.

Good Luck to JCI Canada (formerly the Canada Jaycees) who is bidding to host World Congress in 2016 in Quebec City. Having lived in the Province of Quebec at one time I can assure you that, politics aside, the people in Quebec know how to throw a party. The results of the bid will be known by the time you read this.

I am going to show how politically incorrect I am and wish all those reading this along with their families a very Merry Christmas and may 2015 be your best year yet.

#### **2016 JCI World Congress – Senate Program Senator Patrick Roberge 68276 – [proberge68@gmail.com](mailto:proberge68@gmail.com)**

I wanted to introduce myself! My name is Patrick Roberge, Senator 68276 from Quebec City. I was on the COC that brought back the JCI World congress in 2016 and I will be in charge of the Senate program for our event.

I wanted to contact you for many reasons. First of all, I really think that the COC and the Canadian Senate need to work hand in hand for this event to try and make it the best Senate program in recent years. Also, since I never participated in that program except for the Senate dinner, I will need all the help and ideas I can get. Please contact me at the above E-Mail address with your ideas and offer of help. Further information when approved and received will then be published.

**NOTE:** A call from Senate Patrick Roberge for those interested in working on the 2016 World Congress Senate program, are requested to send an E-Mail to President Theresa Sinton.

#### **Dear Santa....re your request....**

I realize you asked me to update you sooner on the Canada JCI Senate Bed Nets Campaign, but Santa it's just been a wonderfully busy month and I wanted to bring you up to date for November 30th. Those Senators, Maple Leafs and Friends have done it again Santa, sending the "one bed net a day" program for a little flip with sending in 54 nets this month....! We were wondering Santa if you have any months with 54 days in them....or does it just seem like that when the weather gets bad here in Canada ? Well Santa, I can proudly report that the Bed Nets Campaign is continuing to roll along, with good support from across the country. Santa please remember those kind US Senators who stopped by our annual Meeting of the Crew in September...keep them on your list too! In fact Santa we are so very pleased and proud of our many donors from around the globe that I cannot begin to list them all. Santa, what a great gift of life and hope Senators, Maple Leafs and Friends are able to give those children and families in Sub Saharan Africa providing some

protection to keep them safe and healthy against malaria. So Santa, you have the monthly donation lists, please don't forget those folks who are still planning to send in a donation! Santa, please send all of our Senators, Maple Leafs and Friends a special wish from me to have a Very Merry Christmas and a Happy and Healthy New Year. Santa....you are the BEST and we all believe that service to humanity is the BEST WORK OF LIFE!

**Senators who wish to donate a Bed Net please forward your cheque payable to: Canada JCI Senate Bed Nets Campaign** c/o Joe Hogan, Senator 29280 700 Grierson St. Oshawa ON L1G 5J5. **Greater Toronto & District JCI Senate President Senator Richard H Walker `2553 – rickhwalker6@me.**

This past year, we saw our purpose as **primarily social**, a way of keeping in touch with old friends and making new. We gathered thrice over lunch and once to golf.

We changed the **newsletter** by adding more information and silliness. We added colour and graphics for eye appeal. We asked for, received and printed the comments and opinions of fellow members, which may or may not have informed Senators what to expect at the AGM in Ajax. E-Mail allowed us to eliminate paper, printing and Canada Post. We appreciated our **speakers/moderators** from within the Senate; Bill Tynkaluk 4050 (Toronto), Nawar Rai 69968 (Syria) and Doug Valentine 3083 (Calgary, Stratford, Toronto). To this, Senators responded in goodly numbers, averaging north of 25 at each. We hosted that globetrotting Senator from Australia, Neville Clare 9719.

We simplified **finances**, defining donations as our only revenue. We no longer charge dues or struggle to collect them. Expenses are limited to honorariums, memorials and special approved outlays.

We revised and simplified the **'Terms of Reference'** making them consistent with those of Canada and International. **Bert Kivimaki 13575** has offered a full slate of nominees for office for next year.

So this past year has been I think a moderate success. What about **next year**? As we age our bodies ache, our minds forget and our numbers shrink. Jaycee numbers too are in decline. Also - without Jaycees the Senate will wither? Should we turn a blind eye to the inevitable or should we be pro-active? We made overtures and a donation to the struggling **Toronto Chapter** now defunct. Is this a symptom of a much bigger problem in Canada and around the world of JCI? Is extinction looming? I love Christmas. Each year I become a child and may you enjoy it your way.

## NOTICE – NOTICE – NOTICE

It is almost Christmas and 2014 has been a good year for Nancy and me. I am still working and our companies continue to prosper. We enjoyed the arrival of a granddaughter and our first great grandson. I am slowly regaining strength in my legs and am mobile with my walker and wheel chair. No problem getting into and out of the car. We did three flights this year. We did three trips this year with one to Jamaica for a welcome break in February and two business trips to the west coast.

We should have had a trip to Ireland in September but that had to be postponed until next April. Nancy had emergency surgery to reattach the retina in her left eye in July and she couldn't fly until late September.

It was great to attend the Meeting of the Crew in Ajax and visit with some old friends. We also enjoyed lunch with Barney and Molly last month in Vancouver.

Nancy and I wish to extend season's greetings and best wishes for a prosperous new year.

STOCKDALE, Lloyd L 20377 – 19 A Cundles Road East, Barrie, On L4M 5L1 (R705-726-9011) (C705-727-6056) (E-Mail:lloyds20377@roers.com) - It is with heavy heart and sadness that I report the passing of David N Knudsen, Senator 24060 ON November 24, 2014. Dave was a good friend and a key member of my executive when I was NVP Central Region 1976/77. Dave will be missed by his many friends and family. (Lloyd – Please pass on our condolences to David's family – Theresa).

WIGHT, Douglas A 1370 – 308 – 75 Songhees Blvd, Victoria, BC V9A 7M5 (R250-381-6614) (E-Mail: dawight@shaw.ca) (Joyce) – Thanks for all your efforts and we do appreciate receiving the Newsletter. (Douglas – Thanks for your comments and members enjoy being updated on the information of all of their friends – Theresa).

OSTERMAN, Donald L 16577 – 1683 Creekside Dr, Nanaimo, BC V9S 5V4 (R250-716-7826) (E-Mail: donlosterman@shaw.ca) – It is that time of the year again to pay my contribution and time sure fly's when you're having fun. I send greetings to all Jaycees, but especially all the gang from my era. I also am remembering some exceptional Jaycees that have "Passed" on like Jerry Huot 22163, Hugh Schroeder 682, Poul Nielsen 5697 and Dolly Dahlberg 5995.

Ernie and I have kept in contact over the years and I admired him as a great Jaycee but more than that as a giant in his community and a servant of the people of Ontario. I will always remember his campaign slogan--- Reach the peak with the Greek. Maxine and I are getting ready to leave for the World Congress in Leipzig, this being our fourth trip to Europe this year. I am now really enjoying my new role as US JCI Senate Ambassador to Europe.

I certainly look forward to the Senate Newsletter arriving and I still recognize a lot of names in the four digit numbers. In my world I still put in a full day and it's the curse of money assets BUT I welcome the activity as it sure is lonesome without Myrna. The best regards to you and the Senate. The MN JCI Senate is enthusiastically inviting all of you to 'SET SAIL FOR THE LAND OF LAKES, ICE, & MINNESOTA NICE!

On Sunday, June 21, 2015 we are kicking off our week of fun, fellowship, and food with an exciting early hospitality event. We are having a hog roast as our featured early hospitality meal. In Peace Plaza, which is located right outside our host hotel {Kahler Grand Hotel} the hotel chefs are going to be roasting a hog, and serving it with country style potato salad with sour cream, bacon, & scallions, luscious roasted sweet corn on the cob, baked beans, classic coleslaw, fresh watermelon slices, cheddar cheese corn bread & a speciality cake to top it all off. We will be serving this extraordinary early hospitality delight from 6:00pm to 8:00pm only. As this event is being catered for us, we need to have as accurate a count for the meal as possible, therefore we are highly encouraging you to pre-register. Registering at the door will NOT guarantee you the opportunity to have this wonderful meal. At 8:00pm, our hospitality room will open for socialization and cold beverages. We can already imagine and hear the laughs as you reacquaint with each other sharing your times since you were last together. Oh, and we can hear the playing cards being shuffled at some of the tables and the dice being rolled on other tables. Our indoor hospitality room comfortably seats 300-350 folks.

Our Swedish Chef's Greeg & Jueery {Greg Green 65761 & Jerry Will 24873} have diligently planned a regional menu of delectable delights for everyone. One of the scrumptious items to be featured is a creamy chicken & wild rice soup. They have located a pot {caldron} large enough to use their boat oars to stir the soup. They have also been working with Sven on raising enough cows for some delightfully delicious grilled hamburgers. Many, many more scrumptious meals and snacks will abound. Snacks both hot and cold will be featured throughout the week between meals.

Our bartenders, Ole' & Lena {Don 64932 & Doreen 64069 Lietzau} have assured us that their ice, probably taken from several of our beautiful lakes, will keep your beverages at the optimum temperature. They have also taken several of their wagons and loaded them to over flowing with soda, water, beer, wine, and even some of that there hard liquor all to keep your thirst quenched while you are with us.

Speaking of our host hotel, the Kahler Grand Hotel is located in beautiful Rochester, MN. It is consistently recognized as one of the most livable cities in America. Rochester was rated #6 of the "10 Best Cities for the Next Decade" by Kiplinger's Personal Finance magazine, July 2010. Rochester is built on the world-renowned Mayo Clinic's rock-solid foundation. In return, the community serves as host to 2.7 million visitors each year, many of them receiving care at Mayo Clinic. Currently more than 100,000 people reside in the growing community of Rochester. Rochester is a city that values diversity, the arts, higher education and their many cultures. The Kahler Grand Hotel is directly across the plaza from the Mayo Clinic. The Kahler Grand Hotel is a premier historic hotel in downtown Rochester. The Kahler Grand carries an 80 year legacy of comfort in each of its 660 rooms & suites, each equipped with modern amenities. The lobby hosts 2 full service restaurants, the city's best martini bar, the Kahler Floral Shop, Peacock Gift Shop & a Starbucks Coffee. There is an indoor pool & hot tub on the top floor, with a glass ceiling and an exquisite view of the city. Hagar & Helga are adjusting to everyone not being able to stay with them in their humble abode. Their huge 2 room estate in the northern part of Minnesota just wouldn't be large enough, and the outdoor 1 hole outside privy - well, need we say more. So, the Kahler Grand Hotel it will be.

We are planning several tour options for you to consider either as a group or individually. Some of these options may include: Wineries; an Amish Country Tour; Assisi Heights; Historic Mayowood Mansion; Soldiers Field Veterans Memorial; National Eagle Center; the Rochester Carillon; & the famous Spam Museum.

The Red Hats of Minnesota & Region VI are planning some fun & gaiety for all our Red Hat friends when you come to Rochester. We are asking you to please include on your registration form that you plan to attend our activities. We wish to have as accurate a count of attendees as possible so we can accommodate everyone who will be attending our party. If you would please write on the front of your registration form letting us know that you are planning to attend the Red Hat party, we would greatly appreciate it. Come with your hats & be ready for some merriment.

For now save the dates of June 21 - 25, 2015 and plan to 'SET SAIL FOR THE LAND OF LAKES, ICE & MINNESOTA' Consider visiting the US JCI Senate web-site or the MN JCI Senate web-site to find a registration form & a flyer detailing the early hospitality hog roast. A registration Form is also included in this Newsletter.
