

**CANADA J C I SENATE**  
OFFICE OF THE PRESIDENT

**July 2015**

**Volume 41 Issue 2**

**President's Message**  
**Senator Barry D Evans 42155**  
**Barry.e@xplor.net.com**

The year is moving fast. Summer is here and the first hay is cut and put in the barns. The forest fires in the west sound dangerous. I hope everyone remains safe.

Thank you to all the Senators that have mailed in their comments and contributions, we enjoy reading the updates. I encourage all the members who have not sent in their contribution to take a few moments and mail them in. The Senate requires the contributions to keep operating and the Newsletter being sent out. The contributions are whatever amount you would like to send each year. To the members that have never sent in a contribution please consider helping out.

The Georgian Bay JCI Senators are hosting the 2016 Crew meeting next year in May. Make plans on attending this Crew meeting in the Toronto area. Please see the attached registration form.

Calgary is fast approaching and I encourage members to attend and show support for the Jaycees and the Senators that are organizing the convention. They are setting aside time for us to meet with the Jaycees so we can hear what they are doing and discuss many ideas. I am sitting down with this year's Executive in Calgary and discussing the future direction ideas and some changes to the Terms of Reference. If you have input please let me know and we will include them in our discussions.

There are meetings in the United States and Canada coming up and if you are available it is always fun to attend. Check in the Newsletter or get hold of our Ambassadors Rene Jacob 22847 for more information.

Enjoy the rest of the summer and remain safe.

**JCI Canada National President Senator Roger Pichette 74165 – rprichette@jcicanada.com**

Dear JCI members, senators, and friends,

First of all I would like to thank my local chapter, JCI Québec City, as well as the national organization as a whole, for awarding me the great honor of being named Senator earlier this year. As you all know, this represents a great honor and I am truly thankful to be granted the chance to be part of another great family that is the JCI Senators.

During the last JCI Canada Senate Crew meeting, held in Winnipeg last May, an honest mistake occurred resulting in a valid bid, regarding Quebec City hosting the 2016 Crew meeting, not being presented. An initiative has been put forward by the JCI Calgary Senator group and aiming to hold the JCI Canada Senate meeting concurrently with the 2016 World Congress that JCI Canada was proudly awarded last year in Leipzig.

As most of you know, the life of a JCI member is rarely without bumps and bruises. I would like to personally, and in the name of the National Board, congratulate and support Mr. Barry Evans, President of the JCI Canada Senate, in his handling of the above described situation. Truly acting in the JCI spirit, Mr. Evans proposed, and is going to proceed with the goal of holding two separate JCI Canada Senate meetings in 2016. The usual meeting in May, as duly voted at this year's crew meeting, will be held in the Toronto area, allowing JCI Canada Senators the opportunity to meet and conduct a second business meeting within with the biggest event JCI Canada has held in more than 30 years, the 2016 World Congress in Quebec City!

JCI Canada is proud to support this initiative that not only respects the will of the assembly of the last Crew meeting, but also provides an opportunity for JCI Canada Senators to support our national organization in the great and wonderful opportunity that is hosting a World Congress on Canadian soil.

I thank you President Evans for thinking outside the box and demonstrating to both Senators and actual members that opportunities may arise from mistakes and unexpected situations.

Au plaisir de vous voir tous à Québec. I'll see you soon in Québec City.

Sincèrement, Sincerely,

Roger Pichette, National President, Senator 74165

**Vice President – Senator Daniel B Toews 43467 – [danielbtoews@shaw.ca](mailto:danielbtoews@shaw.ca)**

It is good to be home after 30 days of motorcycling through parts of the United States and Canada.

I trust everyone is enjoying the long lazy days of summer and most importantly investing time with family and friends, both of which are lifelong treasures. This year my favorite memories will be playing with my 3 and 5 year old grandkids in the back yard.

I look forward to attending the JCI Canada National Convention in Calgary in September and meeting up with old and new found friends. Remembering Calgary as I do from my younger days there is no doubt in my mind that this will be a fantastic event. I challenge my fellow Senators to attend this year's convention and enjoy!

**Past President 2015/2016 Senator Theresa R Sinton 41756- [terrysinton@cablelan.net](mailto:terrysinton@cablelan.net)**

I hope you and yours are enjoying a pleasant summer. Here in paradise it's been hot and dry which as you know has caused great concern about forest fires. We have been lucky so far and as I write this, it's raining thank goodness. It's been pretty quiet on the Senate front since my last report but soon we will be packing for Calgary. I am looking forward to the Senate program at the JCI Canada National Convention and hoping to see many old friends from the old Alberta Northwest Gang in attendance.

I am also excited to meet with the Senate Executive and discuss where we are with New Directions and lay out a plan for moving forward. One thing that became clear to me during my term was that building a relationship with younger Senators is going to take a lot of effort on both parts.

The crux of the issue is that many who are still of JCI age and those in the age range from 40 to 50 do not see any attraction in being an active member of the Senate. This is not a new situation. I think that this has been true for a majority of Senate members over the years. While you are building your career and your families your focus is elsewhere and that is the way it is supposed to be. However as you age your priorities change and the concept of being involved in an organization that is in a more laid back mode becomes appealing.

If allowed to continue with new directions I would like to see a group in each region across the country working with younger Senators to identify how the future of the Senate will look. If you are interested in being involved please contact me.

I hope many of you will be in Calgary and I look forward to seeing you there.

**Canada JCI Senate Ambassador to US JCI Senate – Senator Rene Jacob 22847 – sen.ren22847@shaw.ca**

I have been busy going through all kinds of medical tests and procedures, since the last report, in preparation for surgery which will have taken place by the time you read this. I go under the knife on July 24th. Hopefully I will be back in travelling mode by September for the US JCI Senate Fall board meeting in Hartford, Connecticut.

I am still trying to collect full size cloth flags (no pole) for use as promotional decorations for the functions we attend. As previously mentioned, I have the Canada, BC and Ontario flags. The one from Quebec is on its way. You can obtain provincial/territory flags from your MLA/MPP. Please contact me for my mailing address and to ensure I do not have one from your province/territory before shipping. These will become the property of the Senate and will be passed on to future ambassadors.

It was interesting to see video clips of JCI Canada Executive Vice President Senator Chris Curtola 73145 experience at the training academy in Japan. He could be seen Taiku drumming, Sumo wrestling and even jumping barefoot onto broken glass. For the older Senators, just in case the name sounds familiar, Chris is the son of Rock and Roller Bobby Curtola from our era.

If you need any information on upcoming US JCI Senate events, or if you just happen to be travelling to the US and want to establish contact with JCI Senators, send me an e-mail.

**US JCI Senate Ambassador to Canada JCI Senate Senator Phyllis Bowers 51430 - phyllisbow@aol.com**

Summer is here and almost gone! Linda Blanchard 44776 traveled to the Ohio Pig Roast. Then Ed 38469 and Gloria MacDonald were in attendance at the Illinois Picnic. So who will I see next weekend when I'm at the Bourbon Bash in Kentucky? I hope everyone is enjoying the last of the summer. I am looking forward to coming to Canada for the Gourmet Dinner.

**Canada JCI Senate Bed Nets Campaign... NOW at ....2541 Countdown....459, July 25, 2015  
Senator Joe Hogan 29280 - joe.hogan@rogers.com/905-728-2558**

**Are You Still Chasing Mosquitoes.....?** (I hope not!)

However, they do come by periodically in my part of this world to remind Senators that our Canada JCI Senate Bed Nets Campaign to protect children and families from the spread of malaria in Sub Saharan Africa is still going on. We are progressing slowly to our goal of 3000 bed nets by November 2015. Regardless of the goal, we are making a significant difference in the lives of each family who receives a bed net. It all seems like such a small, tiny deed that is happening so far away. By comparison we watch our family go to sleep each night without the worry and fear of being infected with malaria from a mosquito. For a moment some night soon, just as you begin to rest, I invite you to think about life in a land without this sense of freedom and protection.....

If it is time for you to send a net to Africa (or maybe to send a few more since your last donation) I invite you to join in with your fellow Senators and friends and let's do our part to help protect children and families from this deadly disease.

**Senators who wish to donate a Bed Net please forward your cheque payable to: Canada JCI Senate Bed Nets Campaign** c/o Joe Hogan, Senator 29280 700 Grierson St. Oshawa ON L1G 5J5. Each Bed Net costs **\$10.00** Senators are reminded of the Bed Nets donation/acknowledgement form posted on the Canada JCI Senate website ([www.canadajcisenate.com](http://www.canadajcisenate.com)). If you need to make an immediate donation of a Bed Net as a memorial or for any celebration feel free to print the form, attach the acknowledgement section to a card and send your cheque with the donation portion to me later. Please feel free to email your Bed Nets request to me and I'll mail out the acknowledgement. Same day service is guaranteed!

The "**Canada JCI Senate Bed Net a Month Club**" is still open for members! Membership is open to everyone...feel free to join anytime! Send along an annual cheque (\$120.00)...it's that simple! What a wonderful way to celebrate your birthday, anniversary or any special event in your life or recognize an event in your family.

**Proudly listed below are the Bed Nets Senators, Maple Leafs and Senate Friends-donors since June.**

**Greater Toronto & District JCI Senate President Senator Richard H Walker 12553 – rickwalker6@me.com**

Summer in Toronto is hot, humid and quite quiet in spite of the Pan Am Games, which closed yesterday. Canada came second to the USA In the medal count. Huge amounts of security for the 250,000 people expected, vs very little extra security and no HOV lanes on the highways for the one million guests at PRIDE WEEK. Go figure.

Senator Hal Huff 16702 hosted his annual golf tournament in June with 22 golfers and a few others who joined the festivities at the 19th hole. Bob Hopper and Mark Elwood 58192 won the trophies, but everyone won something.

If you plan to be in Toronto September 16th, join us for dinner at the Albany Club. Former Jaycees, John Slade 12189, Tom MacMillan and Rick Moore will regale us with their outrageous experiences as Advance Men for Prime Ministers; Davis and Stanfield.

– Marty and I are well and doing fine. In fact I just won my 8<sup>th</sup> Senior Crown in 14 years! I am now “Today’s American Woman Golden Mrs.” and believe it or not there was a man’s division which Marty won! He is “Today’s American Man Golden Mr.” I also won the best talent award for my ribbon dancing at age 75. I can still get on the floor and up with no assistance! Bring the house down every time! All this fun took place in Greenville, South Carolina. We say “life is like riding a bicycle, if you stop pedaling, you are going to fall off. We are still pedaling. I think our dues are due as it has been awhile since we sent a cheque. (Carol/Marty – You are not late as I would have been sending you a reminder in the month of September – Barney).

KELLY (Weldon), Laura – (E-Mail: weldonharry@bell.net) If you wish to reach Dad Harry in his room you may do so at 613-562-6262 x5441. I am carrying his cell phone as it remains difficult for him to use.

I go back to work 3 days/week beginning next week and so will not be able to visit as much as I do now. Dad is currently scheduled to return home on August 4th. We'll likely bring him home for a weekend sometime before then.

His spirits are good and his mobility is greatly improved - I think he may lose his 'shuffle step' and begin walking properly (for the first time since he moved in with us)! Now, just need to get that language centre working better. For those medical types, dad has both aphasia and apraxia.

## **HISTORY OF THE CANADA JCI SENATE**

In March of 1973 Senator Harry O Weldon 5881 contacted Senator James J O'Connell 5046, the Founding President of the US JCI Senate, sought advice and guidance as to how to set up a Canada JCI Senate. Jim advised Harry to expect the National Jaycees Executive to be cool towards the concept, which proved to be as true in Canada as it was in the US.

Harry convened a meeting of Ottawa Senators to discuss the feasibility of creating a Canada JCI Senate. It was agreed to proceed when Senator George M Gowling 1126 contributed \$1, 000.00 to cover the costs of convening a Founding Meeting. On March 31st, Harry and Helen Weldon sent out a Notice of Founding Meeting and a proposed mission and constitution to some 1,143 JCI Senators across Canada.

Despite the lack of enthusiasm by the Executive of the Canada Jaycees as Senator James O'Connell 5046 from the US had predicted. The Canada JCI Senate was founded on July 2, 1973 at Kingston, Ontario. The Senators present elected five men to the Executive with the power to elect officers from amongst themselves and to add new members as needed. The first Executive consisted of Senators Harry O Weldon 5881 as President, with Clifford A Willis 1602 as Executive Vice President, Gary Commins 10056, J. Roger Flumerfelt 81, and Ross Smyth 37 as Vice-Presidents; Joyce B Clarke 2816 was added as the Secretary Treasurer.

The Founding Executive established the Canada JCI Senate Newsletter, patterned after "The Elder Statesman", initiated a proposal to establish a Canadian Crew of the S.S. Fellowship (which they commissioned Senator Gordon S Lowry 6727 to write) and repaid the \$1000.00 advanced by George Gowling. They also aggressively sought to establish a more cordial relationship with the Canada Jaycees.

Harry met with Senator Bob Lindholm 7792, the second US Senate President, in Montreal and followed this up at the US Crew Meeting at Washington, DC in April 1974. Succeeding Presidents have further strengthened these ties into a very strong bond.

The First Annual General Meeting was held in Kamloops, British Columbia in 1974. It adopted the Crew proposal, replaced the 'constitution' with less formal "Terms of Reference" and elected Cliff Willis to lead the organization. During his two terms of office, under Cliff's capable leadership, the organization grew and strengthened the ties with the Canada Jaycees.

The creation of National Senate groups in the Philippines, US and Canada had caused concern within JCI. Many of the concerns were addressed at an open forum led by a panel comprised of the JCI Senate Chairman, the President of the US JCI Senate, and the President of the European Senate and the Past President of the Canada JCI Senate at the 1975 JCI World Congress.

Continued strong leadership over the years has developed a very cohesive yet informal association of JCI Senators in Canada, with many linkages and friendships formed over the years with our neighbors to the south, whose very active alumni group, the US JCI Senate, has fostered friendships and supported the Jaycees for 26 years.

Thirty-two years later under the leadership of all Presidents and Executive members with new energies and ideas has kept meeting the challenge of keeping an alumni group interested, vibrant and supportive.

Special mention must be made of Senator Barney C Ziola 14018 and his wife Molly. Barney has been the appointed Secretary Treasurer and the publisher of the Canada JCI Senate Newsletter since 1974. The Newsletter, a prodigious labor of love by Barney with strong family support, is recognized internationally as the key ingredient in the "glue" that holds the Canada JCI Senate together.
