OFFICE OF THE PRESIDENT

November/December

Volume 41 Issue 6

**President's Message**  
**Senator Barry D Evans 42155**  
**Barry.e@xplornet.com**

Well, it looks like the snow is starting to settle and the winter season is quickly arriving. It helps everyone get into the Christmas spirit. It is time to switch from beer to hot drinks with something add to it.

I am wishing everyone the best of the holidays around Christmas and New Year's. Travel more and spend more time visiting family and friends. Time is short on this planet and we should make the most of it.

We can start promoting the 2016 World Congress being held in Quebec. The committee has worked very hard to get this far. I am sure they now need as much support and registrations we can provide to help them make this event a congress not to forget.

The Canada JCI Senate 2016 Crew Meeting being held in Toronto from May 19 to 22, 2016 is accepting registrations and I am encouraging everyone to make plans to attend. They have a great weekend planned and will be lots of fun.

Chairperson of the New Directions Committee Senator Matthew Hutcheon 60917 has sent out the survey for the new direction committee. Please take time to fill it in and return it. It will be important information to help plan our next few years so the more replies they get back the better.

I hope everyone has a great Christmas and a Happy New Year in 2016.

**Vice President – Senator Daniel B Toews 43467 – danielbtoews@shaw.ca**

Fellow Senators - On Nov 14th I had the privilege of attending the Penticton JCI 75th anniversary gala. I was impressed with the impact that this chapter has had on the community over 75 years and their commitment to continue being a positive influence and making a difference in the years to come. The evening was topped off with Margie Hibbard, the Master of Ceremonies receiving the honor of becoming a Senator. I send my congratulations to Margie.

Thank you to Senator Matt Hutcheon 60917 and the New Directions Committee for the comprehensive survey that they have developed and sent out. I encourage all my fellow Senators to respond. Everyone's input will help determine how the Canadian JCI Senate can enhance its relevancy to all members across the country.

On the supply side I am receiving some orders for Senate pins which I can supply immediately. Hopefully in the January Newsletter we will be able to announce a more current source for Senate supplies.

For me, year 2015 has been an interesting and rewarding year in getting more involved with the Canadian JCI Senate. I have appreciated getting to know more Senators and I look forward to new Senate experiences. I wish all Senators and their families a meaningful Christmas season with health, peace and happiness in year 2016.

**Past President 2015 Senator Theresa R Sinton 41756 – terrysinton@cablelan.net**

Yesterday was our first real snow fall for the winter and we got a pretty good dump. These old bones sure protest the shoveling and snow blowing but today's round was a bit easier.

As December approaches it reminds me that before long we will be back at the Crew Meeting. I hope that some of you are considering running for President or Vice President. The biggest perk is reconnecting with old friends and in the past few years I have done a lot of that and hope to continue staying in touch. The responsibilities are not onerous, so please give it serious thought.

Being somewhat isolated I don't get to attend events very often so I have little news to impart. I do hope you are all going to complete the New Directions Survey recently sent out. We need your input to help plan our future.

If you have not donated recently please consider doing so. I send my best for the rest of the year to you and yours.

**Canada JCI Senate Ambassador to US JCI Senate – Senator Rene Jacob 22847 – sen.ren22847@shaw.ca**

There were no travel plans in the past month, so I focused on other things. I managed to add two more flags to the collection. I received the flag of Manitoba from incoming JCI Winnipeg President Katrina Hueging who is also JCI Canada's representative in the effective speaking competition. The next level will be for the championship of the Americas and the Caribbean ... Good Luck Katrina. Wouldn't it be nice to have a Canadian in the finals at World Congress in Quebec? I also received the Prince Edward Island flag from Senate Past President Bernie Gilbank 22233. He had just returned home from Halifax where he underwent circulatory surgery for his legs. He said the Cancer treatment appears to be working and he is feeling good. That is indeed some great news. I now have the Canada flag plus the flags for six provinces. I have received promises from people in the other four provinces. Now that just leaves the territories, which could be a problem. I have written to the tourist bureaus in all three and I am awaiting their reply.

My next trip will be to Savannah, Georgia in January 2016. I will be promoting the 2016 World Congress in Quebec.

As this is the final Newsletter of the year, I would like to wish all Senators, Maple Leafs, Governors and spouses a very Merry Christmas 2015 and may 2016 be your best year yet....Joyeux Noel 2015; Bonne et heureuse annee 2016.

**New Directions Committee – Chairperson Senator Matthew Hutcheon 60917 – matt.hutchoen@gmail.com**

Fellow Senators - many of you (over 224 so far!) have already completed the survey that the New Directions Committee has circulated by email and paper copy. Thank you to all of you who have taken the time to share your thoughts with us so far. Those of you who haven't yet, I hope you are able before the survey closes on December 9th.

We are obtaining valuable input and comments which will be very useful for the Committee as we look to the future of the Canada JCI Senate, and we want your voice to be included. If you have not received a copy either by email or paper, or have had any problems completing it, please don't hesitate to contact me.

I have also started a conversation with other Senate organizations around the world to see how others are handling the uniqueness of an organization which spans so many generations of active JCI leaders.

A big thank you goes out to Alan Salmon 12323 for his expert assistance with the survey design and distribution, and the forthcoming reporting of the results. His involvement has ensured we are using a better survey utilizing a best-practices approach to gathering your input.

I look forward to the Committee's deliberations early in the New Year to digest and discuss the survey results and our other findings, and to sharing the results of that hard work with all of you in early spring.

We send our best to you and yours for a safe and festive holiday season.

**Canada JCI Senate Bed Nets Campaign... Finishes with...2588  
Senator Joe Hogan 29280 - joe.hogan@rogers.com/905-728-2558**

**Just in Time! One more Bed Nets Story...Total Now at 2588!**

While I published the closing date (World Congress November 3) for our Canada JCI Senate Bed Nets Campaign in the October Senate Newsletter, with a wonderful total of 2,577 Bed Nets donated, you knew it was going to happen! Quickly came a couple more donations just in time to boost the total to **2,588** after the Newsletter deadline. Thanks go out to Kathy Skribe Maple Leaf 005 and Senator Bill Skribe 25511 and also to US Senator Jim Harmaty 31809.....who all added to the newest total!! Thanks for giving everyone.

Best Wishes to all Senators and Maple Leafs for a very Merry Christmas with a Happy and Healthy New Year in 2016.

**Greater Toronto & District JCI Senate President Senator Richard H Walker 12553 – rickwalker6@me.com**

Not much to report from Toronto this cold fall day, as we look forward to our AGM, noon, December 9th, at Bumpkins, 25 Gloucester St., Toronto. Please join us for some early Christmas cheer.

The Blue Jays had a good run, encouraging the city-wide (and beyond) support of so many fans who donned red, white & blue caps and shirts. The city was abuzz with baseball fever. We haven't had a winner in a sport for sooooo long. Forty-eight years ago, I watched the Maple Leafs defeat Montreal for the Stanley Cup in 1967. Even as the memory fades, somethings stand out. We send a Merry Christmas and a Happy New Year to everyone.
