

CANADA J C I SENATE
OFFICE OF THE PRESIDENT

November/December 2013

Volume 39 Issue 6

President's Message
Senator Eric HG Cowen 27853
ericandjoan@sympatico.ca

As I write this report, I am thinking of Remembrance Day November 11, 2013, and think how grateful I am for the sacrifices the men and women gave, so I am able to live in this land, raise my children and have the freedom to do the things I want to do. WE WILL REMEMBER THEM.

Senator Russell W Cooper 4638 reported that at our request he delivered a cheque for ASAC membership to the President of ASAC at the Joint Board Meeting in Rio de Janeiro. He stated that it was warmly received. Russell was also happy to let us know that Erin Guillemette of the Durham Jaycees won the World Speaking Competition. You might also be interested to know that Russell was honoured at the Congress as the lowest Senate number in attendance. Japan will be the host of 2015 JCI World Congress.

I think fall is now upon us, the colours of the forests is gorgeous and all those leaves are coming down, and I think they are all on my lawn and I have to rake them. I guess the sight of the colourful trees makes it well worthwhile.

I want to pass along some very good news. Senator Joe Hogan 29280 has met and surpassed his goal on the Bed Net Program and this does not mean we have to stop giving, only we must renew our commitment and make all persons who need a Bed Net are given one. All members of the Senate send their congratulations to Joe for a well done job.

I want to thank all the Senators and Maple Leafs who have contributed to the Senate. To those Senators and Maple Leafs who have not sent in a contribution, I urge you to do so, a newsletter sent out by regular mail now cost over a \$1.00 per newsletter. A contribution of \$50.00 or more, you will automatically receive the Canada Senate JCI Directory (2013).

The Senators in the London Ontario area are hard at work at restarting the Jaycee unit there. Mike Napier 1157 Aintree Road., London, On., N6H 5P9 is hosting an introduction night January 16th at the Museum London; let's get behind him and send any prospective members names to him.

We are coming into the festive season of the year Santa Clause Parades, Christmas Parties, shopping for the best gifts, buying the Christmas tree and decorating it, putting up lights up around the house. And the good smells coming from the kitchen of cookies, cakes, pies and candy, and of course the traditional plum pudding. It is a time to reflect on the past year, of all the positive things that have happened to you and yours. The past is gone we cannot get it back, the future is upon us, let us make the most of it. Maybe you can make a New Year resolution to attend the Meeting of the Crew in Ajax, Ontario next September.

Joan and I want to wish everyone a very Merry Christmas and Happy/Healthy New Year and all the best in 2014.

"We will remember them"

Vice President – Senator Theresa R Sinton 41756 – terrysinton@cablelan.net

Well winter has arrived in the Shuswap although it's still pretty mild. Not looking forward to snow removal but I do get a bit of a buzz seeing the look of fear in my neighbours' eyes as I come roaring down the driveway driving my tractor and blowing snow 30 feet in the air. It's an old thing that is loud and has a huge snow blower on the front end that grinds along in tune raising the noise level even further. Now stop that! I hear you sniggering about how that sight brings terror imagines and the real thing can only be more horrifying. The good news is that it is only an 18 HP tractor so the amount of havoc I can cause is limited at least so far.

Winter in the forest is otherwise a peaceful time but in town here it's the time for the various associations to have their AGM's and politics abound. The amount of politics that exists in this tiny town is truly amazing and makes the night before an election at national convention seem like a kid's tea party.

Power trips are plentiful and as I sit on 6 boards and 2 CSR (Columbia Shuswap Regional District) committees my Jaycee skills get a workout. One particularly nasty situation has the Board of a society bullying the seniors it is there to serve who are too intimidated to stand up for themselves, so I have committed to attending their AGM to confront some issues on their behalf. Oh well it will keep me busy if not out of trouble.

Pretty quiet on the Senate from with only one order recently, but hopefully there will be a few more soon.

At this time of year when we give thanks and come together with our loved ones, remember to look after yourselves and take good care. May the holiday season find you and yours in good health and good spirits!

Past President 2011/2012 Senator Blair Fraser 36339 – blairf@shaw.ca

There has not been much activity on my end for a while; such is the life of the Immediate Past President. I have had some discussions with a group of Senators out of Calgary that are interested in hosting the 2015 Crew Meeting in September 2015 in conjunction with the JCI Canada National Convention. I will report on this proposal as it takes shape.

I want to encourage everyone to register for the 2014 Crew meeting in Ajax hosted by the Durham JCI Senate Group. This will be a great and a wonderful time to be in the east (well east to me) some think it is central but what do they know!

It is important to continue to support the Canada JCI Senate with a contribution of your choice; our Senators generosity has always been amazing. Also, if you want to get away to some sun, come and join Gloria and me in Waikiki from Jan 26 – Feb 9. If that does not work, plan to attend the US Winter Board meeting in Cocoa Beach, Florida. Contact Phyllis Bower for details.

Gloria and I, would also like to take this opportunity to wish everyone a wonderful Christmas and a splendid night to introduce the NEW YEAR 2014

Canada JCI Senate Ambassador to US JCI Senate – Senator Vik D Farrugia 59813 – shirvik@rogers.com

London Ontario JCI Senate Group is re-starting what has turned out to be an International event. We draw a good number from the US JCI Senate Region V and beyond to our golf outing on June 07, 2014. For the London Ontario Golf Outing please contact Senator Ed MacDonald at E-Mail: ed38469@hotmail.com or by telephone at (R) 519-471-9055.

First of all I would like to wish all of our American brothers and sisters in the Senate a very Happy Thanksgiving. Here is hoping you have the opportunity to take time with family to reflect on the many things in life there are to be thankful for. As Canadians we thank you all for being our friends and for being there when needed. I have not been very active as your Ambassador to the US since the US National last June. It has just been one of those years that have not allowed me to take part in U.S Senate activities like I have done in the past - AND BOY HAVE I MISSED YOU GUYS!!

I am hoping to get back in the saddle again in the New Year. My plans are to get to Pigeon Forge, Tennessee in February for the Mini-National Convention. Next stop I hope will be the Region V Spring Fling in Kentucky in March and finally the US National Convention in Maryland in June. July and August offer several opportunities to get involved in US Senate events as well.

Part of my busyness has been in helping to re-start the London Jaycee Chapter. This should be good news to both the Canadian and US Senate. Our Senate Chapter here in London has been supportive of this group of young people and the hope is that they will officially charter in January 2014. I have met these future Jaycees and they are bright and full of enthusiasm.

I again remind the Canadian Senate to let me know if and when you are travelling to the US and I can get you information of what is happening as far as US Senate events in that area.

I send congratulations to President Eric and wife Joan. They seem to be racking up the mileage as they represent the Canada JCI Senate around the world - well done and thank you. Finally I would like to take this opportunity to wish everyone a Very Merry Christmas that comes with rest, relaxation, health and family time. It is the season to take a step back, thank your Lord for all that you enjoy in this society and share the love you have with those dear to you. From the Farrugia - May God Bless and keep you well in the New Year to come.

SALMON, Alan D 12323 – 121 - 4 – 2880 Queen St, East, Brampton, ON L6S 6H4 (R647-722-4741) *IC647-328-4741) (E-Mail: alan@k2e.ca) (Nancy) - 2013 has been an up and down year for Nancy and me. It started out with me in the hospital for four months to have a brain tumor removed. It was great to come home again at the end of April. The only thing that kept me going while I was in the hospital was Nancy's devotion and dedication by driving for 45 minutes each way to visit me in hospital almost every day. Life got better when I came home in late April. My long term objective is to learn to walk again. I am making slow but steady progress. I can now move around the house with my walker and wheel chair. Getting in and out of our car is no problem. I have now finished 16 of 33 days of radiation to kill the small remaining tumor in my head.

August was certainly the highlight of the year when Nancy and I took all of her children and grandchildren on a Disney cruise out of Barcelona, Spain. The 18 of us had a wonderful time. Nancy's youngest granddaughter Nora discovered that the ice cream shop was open 24 hours a day and she must have enjoyed at least 60 cones during the cruise.

Our three companies continue to prosper and we are having an excellent year. I have given up my teaching load and am now focused on the administrative side of our operations. This is the first year in the last fifteen years that I haven't done at least 100 flights. However, Being an Air Canada Million Mile member I maintain most of my privileges for life.

A highlight of this fall was a delightful lunch with Barney and Molly Ziola in Vancouver. We flew out for a conference.

Nancy and I want to extend Seasons Greetings and best wishes for a prosperous New Year to our many Senate friends in Canada, the US and around the world.

ROBBINS, Edward W 12703 – 2 Courtyard Walk, Chatham ON N7L 5S3 (R519-436-0692) (E-Mail: robbed@msni.net) (Maxine) – I always enjoy the Newsletter and keep up the great work. But I have a good excuse as I will be 87 soon. Have a Merry Christmas and a Happy New Year. We hope you are both well and Barney has recovered from his recent stay in hospital. Josette and I had a great time at the Fall Frolics in Providence, RI. It was great to spend some time with President Eric Cowen and Joan to get up to date with current Senate news. It also was great fellowship with our Senate family south of the border; they always make you so welcome.

On a sad note Senator Douglas Goodwin 35400 passed away on October 30th. He has had health issues for the past number of years. However this happened unexpectedly and he went quick, which is a blessing and he will be missed. Please find my contribution enclosed to help the Executive continue their great work.

We send all the best for Christmas with health and happiness in 2014 to all our Senate family. (Bernard – I have now fully recovered and back on the job. Molly and I send our best wishes to both of you for a Merry Christmas and a happy - healthy New Year – Barney).

Believe it or not I contributed to JCI just moments ago. I just returned from Vancouver having had my first train trip on board the Rocky Mounteer. Harry Weldon 5881 and Grant Toole 22451 do meet a few times a year, so I do hear in a limited way that JCI still is alive but not in Ottawa. I do remember you offered me a frozen Salmon which I declined on one of my first Government trips to your fine city, How's that for a memory. Excuse my brief message, I seldom use a PC, I still "Believe that service to humanity is the best work of life". (Thomas – If you ever come to Vancouver again, give Molly and I a call. We will host you at our famous "Chart House" for a salmon meal with all the trimmings with good wine – Barney).

Big low this year though, as the year and a half battle with cancer was lost in August by Donna Brennan, Senator Herb Brennan's bride of 42 years. Donna was the most vibrant and giving person by those who knew her. Senator Stan Cramton 10414 and wife Eileen as well as Sheila and I joined Herb and his wonderful family in celebrating Donna's life and amazing spirit and gifts.
